III. RISK FACTORS

1. Standard Risk Factors

- a. Mutual funds and securities investments are subject to market risks and there is no assurance or guarantee that the Fund's objective will be achieved.
- b. As with any investment in securities, the NAV of the Magnums/Units issued under the scheme(s) can go up or down depending on the factors and forces affecting the capital markets.
- c. Past performance of the Sponsor / AMC / Mutual Fund or its affiliates does not guarantee the future performance of the scheme(s) of the Mutual Fund.
- d. State Bank of India, the sponsor, is not responsible or liable for any loss resulting from the operation of the scheme beyond the initial contribution made by it of an amount of Rs. 5 lakhs towards setting up of the mutual fund.
- e. SBI One India Fund is only the name of the scheme and does not, in any manner, indicate either the quality of the scheme or its future prospects and returns.
- f. As per SEBI circular SEBI/IMD/Cir No. 10/22701/03 dated 12th December 2003 each scheme and individual plan(s) under the schemes should have a minimum of 20 investors and no single investor should account for more than 25% of the corpus of such scheme/plan(s). In case of non-fulfillment with either of the above two conditions, following shall be the consequences:

(A) During the close ended tenure of the scheme:

If the scheme fails to get minimum 20 investors in the New Fund Offer, the investor's application money would be refunded. Also the Mutual Fund will be constrained to reject the application by a single investor to the extent of having exposure of more than 25% of the scheme corpus at the time of allotment. Hence such investor shall be allotted limited units to such extent.

(B) Post Conversion of the scheme into Open-ended scheme:

The scheme shall comply with the condition of having 20 investors on an average basis, in each calendar quarter, failing which the provisions of Regulation 39(2)(c) of SEBI (Mutual Funds) Regulations, 1996 shall become applicable without any reference from SEBI and accordingly the said portfolio under the scheme shall be wound up by following the procedure / guidelines laid down by SEBI. The guidelines with respect to maximum holding by a single individual would be reckoned and monitored as mentioned in SEBI Circular No. SEBI/IMD/Cir. No. 1/42525/05 dated June 14, 2005.

SEBI has provided further clarifications vide circular SEBI/IMD/Cir No. 1/42529/05 dated 14th June 2005 in respect to determining the breach of the 25% limit by an Investor - (i) the earlier circular would be applicable at the portfolio level. (ii) The average net assets of the scheme would be calculated daily and any breach of the 25% holding limit by an investor would be determined. At the end of the quarter, the average of daily holding by each such investor will be computed to determine whether that investor has breached the 25% limit over the quarter. If there is a breach of limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period.

2. Scheme-specific Risk Factors

- a. The Trustees, AMC, Fund, their directors or their employees shall not be liable for any tax consequences that may arise in the event that the scheme is wound up for the reasons and in the manner provided under the Offer Document.
- b. Redemption by the Magnum holder / Unit holder due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustees, AMC, Fund, their directors or their employees shall not be liable for any tax consequences that may arise.
- c. The tax benefits described in this Offer Document are as available under the present taxation laws and are available subject to relevant condition. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the Investors and Magnum holders / Unit Holders should be aware that the relevant fiscal rules or their interpretation may change. As in the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of the investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Investor / Magnum holder / Unit holder is advised to consult his/her/its own professional tax advisor.
- d. SBI One India Fund would be investing in equity & equity related instruments including derivatives, debt and money market instruments (such as call money market, term/notice money market, repos, reverse repos and any alternative to the call money market as may be directed by the RBI). The liquidity of the scheme's investments is inherently restricted by trading volumes and settlement periods. In the event of an inordinately large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the Trustees have the right in their sole discretion to limit redemptions (including suspending redemptions) under certain circumstances.
- e. Stock Lending: There are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement. Such failure can result in the possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing thereon.

- f. Investments under the scheme may also be subject to the following risks:
- i. Equity and equity related risk: Equity instruments carry both company specific and market risks and hence no assurance of returns can be made for these investments.
 - ii. Credit risk: Credit risk is risk resulting from uncertainty in counterparty's ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest. Government Securities have zero credit risk while other debt instruments are rated according to the issuer's ability to meet the obligations.
 - iii. Liquidity Risk pertains to how saleable a security is in the market. If a particular security does not have a market at the time of sale, then the scheme may have to bear an impact depending on its exposure to that particular security.
 - iv. Interest Rate risk is associated with movements in interest rate, which depend on various factors such as government borrowing, inflation, economic performance etc. The values of investments will appreciate/depreciate if the interest rates fall/rise.
 - v. Reinvestment risk: This risk arises from uncertainty in the rate at which cash flows from an investment may be reinvested. This is because the bond will pay coupons, which will have to be reinvested. The rate at which the coupons will be reinvested will depend upon prevailing market rates at the time the coupons are received.
 - vi. Derivative risks: The derivatives will entail a counterparty risk to the extent of amount that can become due from the party. The cost of hedge can be higher than adverse impact of market movements. An exposure to derivatives in excess of the hedging requirements can lead to losses. An exposure to derivatives can also limit the profits from a genuine investment transaction. Efficiency of a derivatives market depends on the development of a liquid and efficient market for underlying securities and also on the suitable and acceptable benchmarks. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with the investing directly in securities and other traditional investments.
- g. The initial issue expenses incurred for the launch of the scheme would be amortized over a period not exceeding three years. Amortization of initial issue expenses would be over and above the annual recurring expenses and to that extent would have an impact to the NAV of the scheme on an ongoing basis over a period not exceeding three years. The impact on the NAV has been explained through an example in Section XI.
- h. Different types of securities in which the scheme would invest as given in the Offer Document carry different levels of risk. Accordingly the scheme's risk may increase or decrease depending upon the investment pattern. For e.g. corporate bonds carry a higher amount of risk than Government Securities. Further even among corporate bonds, bonds, which are AAA rated, are comparatively less risk than bonds, which are AA rated.
- i. The Mutual Fund is not assuring any dividend nor is it assuring that it will make any dividend distributions. All dividend distributions are subject to the availability of distributable surplus and would depend on the performance of the scheme.
- j. Subject to statutory approvals, the Scheme may invest in securities in overseas markets, which could be exposed to currency risk, sovereign risk, economic and political risks. Prices of ADR/GDR may not move in consonance with the domestic underlying stock due to currency movements and the prices could also be trading at a discount/premium to the underlying stocks. Further, whenever the scheme intends to invest in ADR/GDR/Foreign Securities, it shall comply with SEBI circular dated August 2, 2006 as amended from time to time.

3. Notification for Prevention of Money Laundering Act

The AMC shall comply with all applicable anti money laundering law and regulations in all of its operations. The Prevention of Money Laundering Act, 2002 and the rules under it have been notified in the Gazette and made effective from July 1, 2005.

4. Know your Customer (KYC) Note

The need to "Know Your Customer" notification for the prevention of money laundering is also applicable in all of the AMC's operations. The AMC may seek information or obtain and retain documentation used to establish identity. It may reverify identity and obtain any missing or additional information for this purpose.

The AMC shall have absolute discretion to reject any application, prevent further transactions, suspend existing folio(s) or transaction therein by a Magnum / Unit Holder, if after due diligence, the investor / Magnum Holder/ Unit Holder / a person making the payment on behalf of the investor does not fulfill the requirements of the "Know Your Customer" or the AMC believes that the transaction is suspicious in nature as regards money laundering. In this behalf the AMC reserves the right to reject any application and make a mandatory redemption of units allotted at any time within a reasonable time period from the date of the application. If the payment for purchase of Magnums/Units are made by a third party (e.g. a Power of Attorney Holder, a Financing agency, a relative, etc.), the Magnum/Unit Holder may be required to give such details of such transaction so as to satisfy the AMC of the source and / or consideration underlying the transaction.

Investors should study the Offer Document carefully in its entirety and should not construe thereof as advice relating to legal, taxation, investment or any other matters. Investors are advised to consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other implications/considerations of subscribing to or redeeming Magnums/ Units, before making a decision to invest/ redeem Magnums/ Units.

7. Registrars

SBIMF will utilize the services of M/s Computer Age Management Services (Private) Ltd/, (SEBI Registration Number: INR 000002813) located at Gems Foundation, 383, Anna Salai, Saidapet Chennai 600 015 as Registrars and Transfer Agents to the Schemes. The Board of Trustees and the AMC have satisfied themselves that the Registrar has adequate capacity to discharge responsibilities with regard to processing of applications and dispatch of Magnum / Unit Certificates / Statement of Accounts to investors within the time limit prescribed in the SEBI Regulations and that they have sufficient capacity to handle investor complaints. As Registrars and Transfer Agents to the Schemes, CAMS accepts and processes investors' applications and advises the Mutual Fund in respect of the amounts received/dispensed for subscription/purchase/redemption. They also handle communications with investors, perform data entry services and dispatch Account Statements to Magnum / Unit holders. CAMS is responsible for carrying out diligently the functions of Registrars and Transfer Agents, as set out in the agreement entered into with them and as per any modification made thereto from time to time. The AMC reserves the right to change the Registrars at any time with the approval of the Board of Directors of the Trustees Company and the Committee of Board of Directors of the AMC.

8. Register of Magnum / Unit holders

A register of Magnum / Unit Holders under this scheme containing the necessary particulars will be maintained at the office of the Registrar to the scheme and at such place(s) as the Trustees may decide.

9. Custodians

SBIFMPL has appointed Stock Holding Corporation of India Ltd. (SEBI Registration Number: IN/CUS/011) situated at Mittal Court, B-Wing, 2nd floor, 224, Nariman Point, Mumbai - 400021 as the Custodians for this Scheme.

The Custodians will be required to take delivery of all properties belonging to the scheme and to hold them in separate custody account and also separately from the assets of the custodians and their clients. The Custodians will make efforts to have the properties of the Fund registered in the name of the Fund and will deliver them only as per instructions of the AMC and on receipt of the consideration. The Custodians shall collect, receive and deposit in the account or accounts of the Fund with the Bank, income, dividend, interest, rights and other payments of whatever kind with respect to the securities and other assets and items of alike nature of the Fund held by or to the order of the Custodians and shall execute such ownership and other confirmations as are necessary. The Custodians shall be generally authorized to attend to all non-discretionary and procedural details for discharge of normal custodial functions in connection with the sale, purchase, transfer and other assets held for the account of the fund by the Custodians as an Agent except as may otherwise be directed by the Fund. For their services, the Custodians shall be paid a custodial fee as agreed upon by the AMC and the Custodians and within the limits given in the section "Expenses". The AMC reserves the right to change the Custodians at any time with the approval of the Board of Directors of the Trustees Company and the Committee of Board of Directors of the AMC.

10. Auditors

SBIMF has identified M/s M. M. Nissim & Company, 3rd Floor, B Wing, Barodawala Mansion, 81, Dr. Annie Besant Road, Worli, Mumbai - 400 018. as the auditors to the scheme. The AMC reserves the right to change the Auditors at any time with the approval of the Trustees Company and the committee of Board of Directors of AMC.

11. Collecting Banker(s)

SBIMF will utilize the services of HDFC Bank Ltd. (SEBI registration no. INBI00000063), Kotak Mahindra Bank Ltd. (SEBI registration no. INBI00000927). Citibank N A (SEBI registration no. INBI00000037) and UTI Bank at selected centers (SEBI registration no. INBI00000017) as the collecting bankers for the scheme during the new fund offer period. Please note that the AMC may utilize the services of any other bank as authorized collecting branches for the scheme. This has also been mentioned under the section "Associate Transactions". The branches will be paid handling charges as per the prevailing market rates and/or as negotiated with them. For applications directly solicited and collected by the branches of SBI or its associates, they may also be paid an agent commission at a rate not exceeding the rate of commission being paid to other agents for the Scheme.

VIII. INVESTMENT OBJECTIVE AND POLICIES

1. Investment Objective and Policies

A. Investment Objective

To provide investors with opportunities for long term growth in capital through an active management of investments in a diversified basket of equity stocks focusing on all four regions of India and in debt and money market instruments.

B. Asset Allocation Pattern

The broad asset allocation pattern under normal circumstances would be as follows:

Type of Instrument	Normal Allocation (% of Net Assets)	Risk Profile
Equities and equity related instruments including derivatives [^]	70% - 100%	High
Fixed / Floating Debt Instruments	0% - 30%	Medium
Money Market instruments	0% - 30%	Medium to Low
ADR / GDR / Foreign Securities	0% - 20%	High

[^] Exposure to derivatives instruments in the scheme can be up to a maximum of 50% of the equity portfolio of the scheme. For example, if the exposure to equity stocks in the scheme is 65%, then exposure to derivatives would be up to a maximum of 32.5% in addition to the exposure to equity stocks in the scheme. Exposure to derivative instruments will be for hedging and portfolio balancing purposes in addition to exploring opportunities for returns enhancement.

The approx. allocation of investments between the various regions in equity and equity related instruments would be as follows:

Regions	Minimum Allocation (as a % of Equity Assets)	Maximum Allocation (as a % of Equity Assets)
East	15%	55%
West	15%	55%
North	15%	55%
South	15%	55%

The allocation of equity assets to a region will be determined on the basis of various factors (including but not restricted to) the economic development of a region, market opportunities, changing regulation, flow of investment/capital to a region, demographic profile, other political and economic factors specific to a region etc. The allocation to each region will be reviewed periodically to see whether the equity allocation to a region is consistent with the relative attractiveness of that region.

Note:

- i) The Regional investment limitation will not be binding for investment in the asset classes other than equity and equity related instruments.
- ii) The minimum and maximum allocations are indicative in nature. The restrictions regarding the allocation will be applicable at the time of the investment.

iii) Definition of Regions:

Companies of a region will be defined as those having their:

- Registered office; or
- Head Quarters; or
- Major manufacturing facility; or
- Major Revenue generating activity

In the region defined as a group of states and union territories

The regional grouping of all the states and Union Territories in the country would be as follows:

Region	States and Union Territories
North	Jammu & Kashmir, Himachal Pradesh, Punjab, Haryana, Uttar Pradesh, Rajasthan, Delhi, Uttaranchal, Chandigarh.
South	Andhra Pradesh, Karnataka, Kerala, Tamil Nadu, Pondicherry,
West	Gujarat, Maharashtra, Goa, Madhya Pradesh, Daman & Diu, Dadra & Nagar Haveli, Lakshwadeep
East	Bihar, Orissa, West Bengal, Jharkhand, Assam, Chattisgarh, Meghalaya, Tripura, Mizoram, Manipur, Nagaland, Arunachal Pradesh, Sikkim, Andaman & Nicobar.

On the basis of the above definition, it is possible for a stock to form a part of two regions also by virtue of having the Head Office/Registered Office located in a Region and a major manufacturing facility/revenue generating activity located in another region. For example, the registered office of TATA Steel Limited is situated in Mumbai (Western Region), while currently its manufacturing facility is situated in Jamshedpur (Eastern Region). In view of the above, TATA Steel will qualify to be a part of both the Western Region and the Eastern Region.

The scheme aims to provide the investor to participate in the overall growth of the Indian Economy by allocation investments in the companies in various regions. The scheme aims to generate higher returns by investing a large part of the fund in the companies of a region which provides the potential for higher growth. However, to avoid the skewness to a particular region, the scheme would invest upto 55% of its equity assets in the companies of a specific region. The scheme will be actively managed and the scheme may rotate the weightage of exposure to various regions.

Under normal circumstances, the definition of a region as disclosed in this offer document for identifying stock/shares of that particular region shall not undergo any change. However, any such change in future shall be justified and recorded in writing. Further, subject to SEBI Regulations, SBI Mutual Fund will also release equity portion of the scheme, based on the regions defined aforesaid.

The above investment pattern is indicative and may be changed by the Fund Manager from time to time, keeping in view market conditions, market opportunities, applicable regulations, legislative amendments and other political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the AMC, the intention being at all times to seek to protect the interests of the Magnum Holders. The funds raised under the scheme shall be invested only in transferable securities as per Regulation 44(1), Schedule 7 of the SEBI (Mutual Funds) Regulations, 1996 as amended from time to time. There can be no assurance that the investment objective of the scheme will be realized. The scheme will also review these investments from time to time and the Fund Manager may churn the portfolio to the extent as considered beneficial to the investors.

C. Investment Strategy

The scheme seeks to identify the best investment opportunities that each region presents, without any sector / market cap bias. The Scheme focuses on bottom-up stock picking (i.e. focusing solely on prospects of individual stocks) as opposed to a top down approach (i.e. predicting macro economic and political trends and taking investment decisions based on them).

The intention of the fund is to create a portfolio of stocks which derive their growth and profit potential from their geographical location (by virtue of having their registered office, headquarters, major manufacturing facility or major revenue generating activity located in that region). The fund will therefore contain a mix of large, mid and small cap stocks. The fund will endeavor to invest atleast 15% and upto 55% of the equity assets of the fund in a particular region at the time of making investment. Under normal circumstances, the portfolio is likely to have around 15 stocks in each region and it will attempt to diversify across sectors in each region.

The maximum exposure to a single sector shall not exceed 25% of the net assets of the Scheme at an aggregate scheme level. In an endeavour to preserve capital in bearish market conditions, the Fund Manager may invest in money or debt market securities upto 30% of the portfolio. Subject to SEBI regulations, the scheme shall invest in various securities as may be permitted from time to time.

The percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the Unit holders.

The Scheme may also use various derivative and hedging products from time to time, in the manner permitted by SEBI. The scheme may also invest in ADR/GDR/Foreign Securities, in the manner permitted by SEBI/RBI from time to time. More particularly it shall comply with the SEBI circular SEBI/IMD/CIR No.7/73202/06 dated August 2, 2006. Such investments will be in conformity with the investment objectives of the Scheme and the guidelines and Regulations prevailing at the time.

D. Debt Market in India

The debt market is active since the mid 1990s as prior to it was a captive market-SLR requirement by Banks. This market was predominantly gilt oriented, until corporate papers became a part of it since late 1990s. The money market in India consists of the following instruments; treasury bills, commercial papers, certificates of deposits, short Non-Convertible Debentures-fixed and floaters and term lending instruments. The debt market consists of gilts, corporate debt papers and other approved securities (government guaranteed papers). The nature of instruments is in the form of plain vanilla bonds, floaters, zero coupon bonds-deep discounted bonds, securitized papers and structured debt papers. The Wholesale Debt Market segment is available both at National Stock Exchange (NSE) and The Stock Exchange, Mumbai (BSE). The players in Indian debt market are commercial banks, mutual funds, financial institutions, insurance companies and others. The retail secondary debt market is absent in India. The Reserve Bank of India has recently introduced a Online Market (OM) dealing platform for gilts. This is at present available only for certain participants like Banks and Primary Dealers and is likely to be extended to other market participants in future. At present, the average daily turnover on NSE WDM is around Rs.2000 crore and further Rs.5000 crore in OM. The likely yields of various instruments mentioned above, and the factors affecting prices of such securities are given hereunder:

The shorter term money market instruments offer yields between 7% to around 8 % depending on tenor to maturity. The 2-3 years and five year AAA corporate bonds offer yields of around 8.30 % and 8.40 % respectively. The ten year Government securities offer yields of around 7.6 %. The securitized instruments offer yields which are 20-30 basis points higher than the comparable normal debt instruments.

The following is the yield matrix as on October 31, 2006:

Instruments	Indicative yield range
Overnight rates	6.50% - 7.00%
90 day Commercial Paper	7.40% - 7.60%
91-day T-bill	6.60% - 6.70%
1 year G-Sec.	6.90% - 7.00%
5 year G - Sec	7.40 % - 7.45%
10 year G-Sec.	7.50% - 7.70%
1 year AAA Bond	7.90% - 8.20%
5 year AAA Bond	8.40% - 8.60%

The interest rate market conditions are influenced by the Liquidity in the system, Credit growth, GDP growth, Inflows into the Country, Currency movement in the Forex market, demand and supply of issues and change in investors' preference. Generally when there is a rise in interest rates

the price of securities fall and vice versa. The extent of change in price shall depend on the rating, tenor to maturity, coupon and the extent of fall or rise in interest rates. The Government securities carry zero credit risk, but they carry interest rate risk like any other Fixed Income Securities. Securities which are not quoted in Stock exchanges carry higher risk than the ones which are listed on the Stock Exchanges. While the securities which are listed on the Stock Exchanges carry less liquidity risk, the ability to liquidate them depends on the secondary debt market volumes. Similarly money market instruments which are fairly liquid are not listed in exchanges due to its short tenor which may lead to losses when sold before its maturity date. The impact cost of offloading the various asset classes differ depending on market conditions and may impair the value of the securities to that extent. Further, investments in securitized instruments or structured obligation papers carry a higher illiquidity risk. They also carry limited recourse to the originator, delinquency risk out of the defaults on the receivables and prepayment risk which affects the yields on the instruments.

2. Trading in Derivatives

The Fund's trading in derivatives would be in line that is permitted by SEBI Regulations from time to time. The Fund may use any hedging techniques that are permissible now or in future, under SEBI regulations, in consonance with the scheme's investment objective, including investment in derivatives such as interest rate swaps. The Fund shall fully cover its position in the derivatives market by holding underlying securities / cash or cash equivalents / option and / or obligation for acquiring underlying assets to honour the obligations contracted in the derivatives market. The Fund shall maintain separate records for holding the cash and cash equivalents / securities for this purpose. The securities held shall be marked to market by the AMC to ensure full coverage of investments made in derivative products at all times.

SEBI has also vide circular DNP/Cir-29/2005 dated 14th September 2005 permitted Mutual Funds to participate in the derivatives market at par with Foreign Institutional Investors (FII). Accordingly, Mutual Funds shall be treated at par with a registered FII in respect of position limits in index futures, index options, stock options and stock futures contracts.

(A) POSITION LIMITS

The position limits for the Mutual Fund and its schemes, for transaction in derivatives segment, shall be as under:

i. Position limit for the Mutual Fund in index options contracts

The Mutual Fund position limits in equity index option contracts shall be higher of:

- Rs. 500 Crore; or
- 15% of the total open interest in the market in equity index options contracts.

This limit would be applicable on open positions in all options contracts on a particular underlying index.

ii. Position limit for the Mutual Fund in index futures contracts:

The Mutual Fund position limits in equity index futures contracts shall be higher of:

- Rs. 500 Crore; or
- 15% of the total open interest in the market in equity index futures contracts.

This limit would be applicable on open positions in all futures contracts on a particular underlying index.

iii. Additional position limit for hedging

In addition to the position limits at point (i) and (ii) above, the Mutual Fund may take exposure in equity index Derivatives subject to the following limits:

- Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
- Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

iv. Position limit for Mutual Funds for stock based derivative contracts

- For stocks having applicable market-wise position limit (MWPL) of Rs. 500 crores or more, the combined futures and options position limit shall be 20% of applicable MWPL or Rs. 300 crores, whichever is lower and within which stock futures position cannot exceed 10% of applicable MWPL or Rs. 150 crores, whichever is lower.
- For stocks having applicable market-wise position limit (MWPL) less than Rs. 500 crores, the combined futures and options position limit would be 20% of applicable MWPL and futures position cannot exceed 20% of applicable MWPL or Rs. 50 crore whichever is lower.

v. Position limit for each scheme of a Mutual Fund

The scheme-wise position limit / disclosure requirements shall be -

- For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of:
1% of the free float market capitalization (in terms of number of shares).
Or
5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).
- This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.

Illustrations

I Arbitrage:

Buy 1000 stocks of Company A at Rs 100 and sell the equivalent of stocks future of the Company A at Rs 101.

1. Market goes up and the stock end at Rs 150.

At the end of the month the future expires automatically:

(i) At the settlement date we assume that future price = closing spot price = Rs 150

- a. Gain on stock is $1000 \times (150 - 100) = \text{Rs } 50000$
- b. Loss on future is $1000 \times (101 - 150) = \text{Rs } -49000$
- c. Then gain realized is $50000 - 49000 = \text{Rs } 1000$

2. Market goes down and the stock end at Rs 50.

At the end of the month the future expires automatically:

(ii) At the settlement date we assume that future price = closing spot price = Rs 50

- a. Loss on stock is $1000 \times (50 - 100) = \text{Rs } -50000$
- b. Gain on future is $1000 \times (101 - 50) = \text{Rs } 51000$

Then gain realized is $51000 - 50000 = \text{Rs } 1000$

ii. Unwinding an arbitrage position:

Buy 1000 stocks of Company A at Rs 100 and sell the equivalent of stocks future of the Company A at Rs 101.

The market goes up and at some point of time during the month the stock trades at Rs 150 and the future trades at Rs 149 then we unwind the position:

1. Buy back the future at Rs 149 : loss incurred is $(101 - 149) \times 1000 = \text{Rs } -48000$
2. Sell the stock at Rs 150 : gain realized : $(150 - 100) \times 1000 = \text{Rs } 50000$
3. Net gain is $50000 - 48000 = \text{Rs } 2000$

iii. Roll over the futures:

We keep the stocks position. If the stocks level is at Rs 150 close to the expiry the stock future is close to Rs 150 as well. Then if the actual stock future is below the next month stock future, we roll over the future position to the next expiry:

- a. Stock future next month is at Rs 151
- b. Stock future actual month is at Rs 150
- c. Then sell future next month at Rs 151 and buy back actual future at Rs 150 $\Rightarrow$ gain of $1000 \times (151 - 150) = \text{Rs } 1000$ and the arbitrage is continuing.

In case, the future price trades at discount to spot price (any time during the period till the expiry date) then the original position will be squared by buying the future and selling the spot market position.

iv. Multi option arbitrage

For a given Index:

- Buy 1,000 Index Futures at Rs 100
- Sell 1,000 European Call options, Strike price 100 at Rs 10
- Buy 1,000 European Put options, Strike price 100 at Rs 8

i. Market goes up and the Index ends at Rs 150.

At the end of the month, the In-The-Money Call options are exercised automatically (at the settlement date we assume that the In-The-Money Call price = closing spot price = Rs 150). Put options will not be exercised.

- Gain on index futures is $1,000 \times (150 - 100) = \text{Rs } 50,000$
- Loss(cost of) Put option is $1000 \times (8) = \text{Rs } 8,000$
- Loss on Call is $1,000 \times (50 - 10) = \text{Rs } 40,000$
- Net Gain is Rs. $2,000 (50,000 - 8,000 - 40,000)$

ii. Market goes down and the Index ends at Rs 50.

At the end of the month, the In-The-Money Put options are exercised automatically (at the settlement date we assume that the In-The-Money Put price = closing spot price = Rs 50). Call option will not be exercised.

- Loss on index futures is $1,000 \times (50 - 100) = \text{Rs } -50,000$
- Gain on Call is $1,000 \times 10 = \text{Rs } 10,000$
- Gain realized on Put is $1000 \times (50 - 8) = \text{Rs } 42,000$

Then gain realized is Rs 2,000 ($42,000 + 10,000 - 50,000$)

(iii) Illustration: Interest Rate Swap (IRS)

Assume that a Mutual Fund has INR 10 crore, which is to be deployed in overnight products for 7 days. This money will be exposed to interest rate risk on daily basis. The fund can buy an Interest Rate Swap receiving fixed interest rate and paying NSE MIBOR.

The deal will be as under:

Counterparty Bank	Mutual Fund
Receives	Pays
Floating rate (NSE MIBOR)	
<-----	
Pays	Receives
Fixed rate (8.75%)	
----->	

The cash flows on a notional principal amount of Rs. 10 crores would be-

(R. in Crore)

	Principal	NSE MIBOR	Interest	Amount

Floating Interest Payable					.0158356164
Fixed Interest Receivable					.0167808219
Net Receivable for Mutual Fund receiving fixed					.0009452055

In this example Mutual Fund stands to gain by receiving fixed rates. As the NSE MIBOR floating rate is decided daily, in adverse scenario, the Mutual Fund may have to pay the difference.

The counter-party providing Swap, Options, Forward Rate Agreements (FRAs) will do the same at a cost.

(iii) The risks involved in derivatives are:

1. The cost of hedge can be higher than adverse impact of market movements.
2. The derivatives will entail a counter-party risk to the extent of amount that can become due from the party.
3. An exposure to derivatives in excess of the hedging requirements can lead to losses.
4. An exposure to derivatives can also limit the profits from a genuine investment transaction.
5. Efficiency of a derivatives market depends on the development of a liquid and efficient market for underlying securities and also on the suitable and acceptable benchmarks.
6. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

Methods to tackle these risks:

1. Hedging will not be done on a carpet basis but based on a view about interest rates, economy and expected adverse impact.
2. Limits of appropriate nature will be developed for counter parties
3. Such an exposure will be backed by assets in the form of cash or securities adequate to meet cost of derivative trading and loss, if any, due to unfavorable movements in the market.

(iv) The losses that may be suffered by the investors as a consequence of such investments:

1. As the use of derivatives is based on the judgement of the Fund Manager, the view on market taken may prove wrong resulting in losses.
2. The upside potential of investments may be limited on account of hedging which may cause opportunity losses.

(v) The use of derivatives for hedging will give benefit of:

1. Curtailing the losses due to adverse movement in interest rates
2. Securing upside gains at cost

(B) VALUATION

- (i) The traded derivatives shall be valued at market price in conformity with the stipulations of sub clauses (i) to (v) of clause 1 of the Eighth Schedule to the SEBI Regulations.
- (ii) The valuation of untraded derivatives shall be done in accordance with the valuation method for untraded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the SEBI Regulations.

(C) REPORTING

The AMC shall cover the following aspects in their reports to trustees periodically, as provided for in the Regulations:

- (i) Transactions in derivatives, both in volume and value terms.
- (ii) Market value of cash or cash equivalents / securities held to cover the exposure.
- (iii) Any breach of the exposure limit laid down in the scheme offer document.
- (iv) Shortfall, if any, in the assets covering investment in derivative products and the manner of bridging it.

The Trustees shall offer their comments on the above aspects in the report filed with SEBI under sub regulation (23) (a) of regulation 18 of SEBI Regulations.

3. Portfolio turnover

The Portfolio Turnover is defined as the lower of the value of purchases or sales as a percentage of the average corpus of the Scheme during a specified period of time. The Asset Management Company does not have a policy statement on portfolio turnover. Generally, the Asset Management Company's portfolio management style is conducive to a low portfolio turnover rate. However, there are trading opportunities that present themselves from time to time. These trading opportunities may be due to trading opportunities in stock markets, changes in interest rate policy by the Reserve Bank of India, shifts in the yield curve, credit rating changes or any other factors where in the opinion of the fund manager there is an opportunity to enhance the total return of the portfolio. It will be the endeavour of the fund manager to keep portfolio turnover rates as low as possible.

4. Investment limitations

The investment policies of the scheme comply with the rules, regulations and guidelines laid out in the SEBI Regulations. As per the Regulations, specifically the Seventh Schedule, the following investment limitations are applicable to schemes of Mutual Funds.

- a. The scheme shall not invest more than 15% of its NAV in debt instruments issued by a single issuer, which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the Act. Such investment limit may be extended to 20% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of Asset Management Company. Such limit shall not be applicable for investments in government securities and Money Market Instruments. Also investment within such limit can be made in mortgage-backed securitized debt, which is rated not below investment grade by a credit rating agency registered with the Board.
- b. The Scheme shall not invest more than 10% of its NAV in unrated debt instruments issued by a single issuer and the total investment in such instruments shall not exceed 25% of the NAV of the Scheme. All such investments shall be made with the prior approval of the Board of Trustees and the board of Asset Management Company. Further, the aforesaid investment limits are applicable to all debt securities which are issued by public bodies/institutions such as electricity boards, municipal corporations, state transport corporations etc guaranteed by either state or central government. Government securities issued by central/state government or on its behalf by the RBI are exempt from the above referred investment limits.
- c. Debentures, irrespective of any residual maturity period (above or below one year), shall attract the investment restrictions as applicable for debt instruments as specified under 7(a) and 7(b) of this section.
- d. The Fund Schemes shall not own more than 10% of any company's paid up capital carrying voting rights or such percentage as may be stipulated by SEBI from time to time;
- e. Transfer of investments from one scheme to another scheme, including this scheme, under the Mutual Fund shall be allowed only if :
 - (i) Such transfers are done at the prevailing market price for quoted securities on spot basis; explanation - "spot basis" shall have the same meaning as specified by the stock exchange for spot transactions, and
 - (ii) The securities so transferred shall be in conformity with the investment objective of the relevant scheme to which such transfer has been made.

The scheme may purchase or sell securities to any other scheme of the Mutual Fund as stated above.

SBI ONE INDIA FUND – OFFER DOCUMENT

- f. The new fund issue expenses in respect of any scheme, including this scheme, may not exceed 6% of the funds raised under that scheme.
- g. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relative securities (except in case of Derivatives) and in all cases of sale, deliver the securities and shall in no case put itself in a position whereby it has to make short sale or carry forward transaction or engage in badla finance.
- h. The scheme shall provide that the securities be purchased or transferred in the name of the Mutual Fund for the relevant scheme, wherever the investments are intended to be of a long-term nature.
- i. Pending deployment of funds of the scheme in securities pursuant to the investment objectives of the scheme the Mutual Fund can invest the funds of the scheme in short-term deposits of scheduled commercial banks.
- j. The assets of the scheme shall not in any manner be used in short selling or carry forward transactions.
- k. The mutual fund under all its schemes will not own more than ten per cent of any company's paid up capital carrying voting rights.
- l. The scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate inter scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund.
- m. The mutual fund will enter into Derivatives transactions in a recognized stock exchange, in accordance with the guidelines issued by the Board.
- n. The scheme shall not make any investment in;
 - i any unlisted security of an associate or group company of the sponsor; or
 - ii any security issued by way of private placement by an associate or group company of the sponsor; or
 - iii The listed securities of group companies of the sponsor which is in excess of 25% of the net assets.
- o. The Scheme shall not invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any unlisted company.
- p. The scheme shall not make any investment in any Fund of Funds scheme.

In addition to the above limitations, the Mutual Fund follows certain internal norms vis-à-vis limiting exposure to a particular scrip, sector, etc in respect of diversified equity funds, which are detailed below:

The scheme would also follow certain norms vis-à-vis exposure to particular sector which would be as follows:

Sector weight in the **Index weight + 10%**

BSE 200 Index (**maximum cap of 30%**)

Maximum limit for stock lending - Not more than 20% of the net assets of the scheme

Limit for Derivative transactions - Limits as permitted under SEBI Regulations from time to time.

Fundamental Attributes

The fundamental attributes and salient features of the scheme are set out below for the purpose of inviting subscriptions to the scheme from the public.

The following attributes will be considered as fundamental attributes:

a) Type of scheme: Close-ended growth scheme

b) Investment Objective:

To provide investors with opportunities for long term growth in capital through an active management of investments in a diversified basket of equity stocks focusing on all four regions of India and in debt and money market instruments.

c) Investment Pattern:

Upto 100% investments in a basket of equity stocks of companies across the four regions with a maximum investment of 55% of the equity assets in the companies of a specific region. The scheme may also consider investing upto 30% in debt instruments / Money Market instruments while retaining the option to alter the asset allocation for a short term period on defensive considerations. The asset allocation pattern is detailed in Section VIII (2).

d) Terms of Issue:

Sale of Units: Units would be offered for subscription during the New Fund Offer as detailed in Section XIII. On the scheme converting to an open ended scheme, the units would be available for sale on all Business Days.

e) Liquidity:

Available on all Business Days. Redemption at repurchase NAV. The repurchase facility is detailed in Section XIV.

Aggregate fee and expenses: Would be restricted to the ceilings of recurring expenses stated in Regulation 52(6) of the SEBI (Mutual Funds) Regulations. The fee and expenses proposed to be charged by the scheme is detailed in Section XI.

The fundamental attributes as defined above or fees and expenses payable or any other change which would modify the scheme and affects the interest of Magnum holders, shall not be carried out unless, a written communication about the proposed change is sent to each Magnum holder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the mutual fund is situated; and the Magnum holders are given an option to exit at the prevailing Net Asset Value without any exit load.

5. Investments in other schemes

According to the Clause 4 of Schedule 7 read with Regulation 44(1), of the SEBI (MF) Regulations, 1996: "A scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate inter-scheme investments made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund."

6. AMC's investments in the scheme

The AMC may invest in the scheme, either in the New Fund Offer or on an ongoing basis, after the scheme is converted into open ended, such amount, as they deem appropriate. But the AMC shall not be entitled to charge any management fees on this investment in the scheme. Investments by the AMC will be in accordance with Regulation 24(3) of the SEBI (MF) Regulations, 1996 which states that:

"The asset management company shall not invest in any of its schemes unless full disclosure of its intention to invest has been made in the offer document, provided that the asset management company shall not be entitled to charge any fees on its investment in the scheme."

7. Procedures followed for Investment decisions

The proposals for investments in equity/debt or market instruments originate from the Fund Manager and are routed through the Chief Investment Officer (CIO) to the Investment Committee. The committee comprising the Managing Director, Deputy Chief Executive Officer, Chief Operating Officer, CIO, Researchers, Fund Managers, Debt and Equity Dealers decide on the proposals of the Fund Managers. Each proposal is a written document with reasons for the proposed sale/purchase. The reasons for rejection (if any) are recorded. The risk origination is done based on the guidelines issued by SEBI or Board of Trustees. Concurrent auditors periodically check these and their reports are placed before the Audit Committee, which is comprised of the independent Directors and Trustees.

The monitoring of decisions is taken through quarterly secondary and primary market report to the Directors. The Secondary market report details the top 20 purchases and sale decisions in the quarter, the details of losses booked and the reasons thereof.

All primary market decisions are reported. The performance of the diversified equity schemes reported to the AMCs and Trustees is benchmarked against the BSE 100/ 200 as applicable and also to comparable schemes in the industry while sector funds are benchmarked to respective indices and also to comparable schemes in the industry while the performance of the debt schemes are reviewed through the rankings issued by CRISIL/Value Research etc. The scheme would be benchmarked to the BSE 200 Index.

8. Stock lending

If permitted by SEBI under extant regulations/guidelines, the scheme may also engage in stock lending. Stock lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation. The securities lent will be returned by the borrower on expiry of the stipulated period.

The Fund may in future carry out stock-lending activity under any of its schemes, in order to augment its income. Stocklending may involve risk of default on part of the borrower. However, this risk will be substantially reduced as the Fund has opted for the "Principal Lender Scheme of Stock Lending", where entire risk of borrower's default rests with approved intermediary and not with the Fund. There may also be risks associated with Stock Lending such as liquidity and other market risks.

Any stock lending done by the scheme shall be in accordance with any Regulations or guidelines regarding the same. The AMC will apply the following limits, should it desire to engage in Stock Lending:

- a. Not more than 20% of the net assets can generally be deployed in Stock Lending
- b. Not more than 5% of the net assets can generally be deployed in Stock Lending to any single counter party.

9. Fund's Policy on Unclaimed Redemption Amount

The unclaimed redemption and dividend amounts are being deployed by the mutual funds in call money market or money market instruments only and the investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing Net Asset Value. Investors can claim the amount at NAV prevailing at the end of the third year. The income earned on such funds may be used by the Fund for the purpose of investor education. The AMC would make a continuous effort to remind the investors through letters to take their unclaimed amounts. The AMC may charge an investment management fee not exceeding 50 basis points for managing unclaimed amounts. The policy is in line with the SEBI circular No. MFD/CIR/ 9 /120 /2000 dated 24/11/2000.

IX. ACCOUNTING POLICIES**1. Accounting year end**

The accounts of the scheme shall be closed every year as on 31st March. The Trustees shall cause the accounts of the scheme to be maintained in such form and manner as may be decided by them and in accordance with the SEBI Regulations. The Trustees and the AMC shall, at the close of each half year, i.e., 30th September and 31st March, publish the financial results of the scheme, as provided in SEBI Regulations.

2. Other Accounting Policies and Standards

- a. For the purposes of the financial statements, mutual fund shall mark all investments to market and carry investments in the balance sheet at market value. However, since the unrealized gain arising out of appreciation on investments cannot be distributed, provision has to be made for exclusion of this item when arriving at distributable income.
- b. [Dividend income earned by a scheme should be recognized, not on the date the dividend is declared, but on the date the share is quoted on an ex-dividend basis. For investments which are not quoted on the stock exchange, dividend income must be recognized on the date of declaration.]
- c. In respect of all interest-bearing investments, income must be accrued on a day to day basis as it is earned. Therefore when such investments are purchased, interest paid for the period from the last interest due date upto the date of purchase must not be treated as a cost of purchase but must be debited to Interest Recoverable Account. Similarly, interest received at the time of sale for the period from the last interest due date upto the date of sale must not be treated as an addition to sale value but must be credited to Interest Recoverable Account.
- d. In determining the holding cost of investments and the gains or loss on sale of investments, the "average cost" method must be followed.
- e. Transactions for purchase or sale of investments should be recognized as of the trade date and not as of the settlement date, so that the effect of all investments traded during a financial year are recorded and reflected in the financial statements for that year. Where investment transactions take place outside the stock market, for example, acquisitions through private placement or purchases or sales through private treaty, the transaction should be recorded, in the event of a purchase, as of the date on which the scheme obtains an enforceable obligation to pay the price or, in the event of a sale, when the scheme obtains an enforceable right to collect the proceeds of sale or an enforceable obligation to deliver the instruments sold.
- f. Bonus shares to which the scheme becomes entitled should be recognized only when the original shares on which the bonus entitlement accrues are traded on the stock exchange on an ex-bonus basis. Similarly, rights entitlements should be recognized only when the original shares on which the right entitlement accrues are traded on the stock exchange on an ex-rights basis.
- g. Where income receivable on investments has accrued but has not been received for the period specified in the guidelines issued by the Board, provision shall be made by debiting to the revenue account the income so accrued in the manner specified by guidelines issued by the Board.
- h. When in the case of an open-ended scheme units are sold, the difference between the sale price and the face value of the unit, if positive, should be credited to reserves and if negative is debited to reserve, the face value being credited to Capital Account. Similarly, when in respect of such a scheme, units are repurchased, the difference between the purchase price and face value of the unit, if positive should be debited to reserves and, if negative, should be credited to reserves, the face value being debited to the capital account.
- i. In the case of an open-ended scheme, when units are sold an appropriate part of the sale proceeds should be credited to an Equalization Account and when units are repurchased an appropriate amount should be debited to Equalization Account. The net balance on this account should be credited or debited to the Revenue Account. The balance on the Equalization Account debited or credited to the Revenue Account should not decrease or increase the net income of the fund but is only an adjustment to the distributable surplus. It should therefore be reflected in the Revenue Account only after the net income of the fund is determined.
- j. The cost of investments acquired or purchased should include brokerage, stamp charges and any charge customarily included in the broker's bought note. In respect of privately placed debt instruments any front-end discount offered should be reduced from the cost of the investment.
- k. Underwriting commission should be recognized as revenue only when there is no devolvement on the scheme. Where there is devolvement on the scheme, the full underwriting commission received and not merely the portion applicable to the devolvement should be reduced from the cost of the investment

Accounting and Valuation Policies with respect to Derivative Products:**Interest Rate Swaps**

Interest rate swaps with a maturity period of more than 182 days shall be marked to market by recording the net present values of differences in outflows and inflows as unrealised appreciation / depreciation. Interest rate swaps with a maturity period of 182 days and less shall be amortised.

Options

- Premium paid / received on bought / written option contracts shall be debited / credited to "equity option premium account" and recorded as an asset / liability.
- When the option contracts are squared off before expiry, the difference between the premium paid and received on the squared off transactions shall be recognised in the revenue account.

- When the option contracts are exercised on or before expiry, the difference between the option settlement price as determined by the exchange and the premium shall be recognised in the revenue account. If more than one option contracts in respect of the same stock / index with the same strike price and expiry date to which the squared off / exercised contract pertains is outstanding at the time of square off / exercise of the contract, the weighted average method shall be followed for determining the gain or loss.
- Premium asset / liability in respect of options not exercised / squared off as on expiry date shall be transferred to revenue account.
- As at the Balance Sheet date / date of determination, all open option positions shall be valued at the last quoted price at the exchange where it is traded. Non-traded equity option contracts shall be valued at fair value as per procedures determined by the AMC and approved by the Trustee. The unrealised appreciation / depreciation on all open positions shall be considered for determining net asset value.

Futures

- Futures contracts are marked to market daily at the futures settlement price as determined by the exchange. The variation margin calculated as the difference between the trade price or the previous day's settlement price, as the case may be, and the current day's settlement price is recorded as a receivable or payable.
- When a contract is closed (squared off)/ settled (on expiry), the difference between the final settlement / square-off price and the contract price is recognised in the revenue account. If more than one futures contracts in respect of the same stock / index and expiry date, to which the squared off / settled contract pertains, is outstanding at the time of square off / settlement of the contract, the weighted average method is followed for determining the gain or loss.
- As at the Balance Sheet date / date of determination, all open futures positions are valued at the futures settlement price as determined by the exchange where it is traded. Non-traded futures contracts are valued at fair value as per procedures determined by KMAMC and approved by the Trustee. The unrealised appreciation / depreciation on all open positions is considered for determining the net asset value.

The Mutual Fund shall comply with the accounting policies and standards spelt out in the Ninth Schedule of SEBI Regulations.

X. NAV AND VALUATION OF ASSETS OF THE SCHEME

1. Valuation of Assets pertaining to the scheme

Valuation of Assets, computation of NAV, Repurchase Price and their frequency of disclosure will be in accordance with the provisions of SEBI Regulations /Guidelines/Directives issued by SEBI from time to time. The assets of the Scheme will be valued based on the following valuation norms.

A. Traded Securities

- a. The securities shall be valued at the last quoted closing price on the stock exchange.
- b. When the securities are traded on more than one recognized stock exchange, the securities shall be valued at the last quoted closing price on the stock exchange where the security is principally traded. It would be left to the Asset Management Company to select the appropriate stock exchange, but the reasons for the selection should be recorded in writing. There should however be no objection for all scrips being valued at the prices quoted on the stock exchange where a majority in value of the investments is principally traded.
- c. Once a stock exchange has been selected for valuation of a particular security, reasons for change of the exchange shall be recorded in writing by the Asset Management Company.
- d. When on a particular valuation day, a security has not been traded on the selected stock exchange the value at which it is traded on another stock exchange may be used.
- e. When a security is not traded on any stock exchange on a particular valuation day, the value at which it was traded on the selected stock exchange or any other stock exchange, as the case may be, on the earliest previous day may be used provide such date is not more than thirty days prior to the valuation date.
- f. When a debt security (other than Government Securities) is not traded on any stock exchange on any particular valuation day, the value at which it was traded on the principal stock exchange or any other stock exchange, as the case may be, on the earliest previous day may be used provided such date is not more than fifteen days prior to valuation date.
- g. When a debt security (other than Government Securities) is purchased by way of private placement, the value at which it was bought may be used for a period of fifteen days beginning from the date of purchase.

B. Thinly Traded Securities

a. Thinly Traded Equity/Equity Related Securities :

When trading in an equity/equity related security (such as convertible debentures, equity warrants, etc.) in a month is less than Rs. 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security and valued accordingly.

In case trading in an equity security is suspended upto 30 days, then the last traded price would be considered for valuation of that security. If an equity security is suspended for more than 30 days, then the Asset Management Company/Trustees will decide the valuation norms to be followed and such norms would be documented and recorded.

Further it is clarified that in order to determine whether a security is thinly traded or not, the volumes traded in all recognised stock exchanges in India may be taken into account.

b. Thinly Traded Debt Securities:

A debt security (other than Government Securities) shall be considered as a thinly traded security if on the valuation date, there are no individual trades in that security in marketable lots (currently Rs 5 crore) on the principal stock exchange or any other stock exchange.

A thinly traded debt security as defined above would be valued as per the norms set for non-traded debt security.

C. Non Traded Securities :

When a security (other than Government Securities) is not traded on any stock exchange for a period of thirty days prior to the valuation date (instead of the existing provision of 60 days), the scrip must be treated as a 'non traded' security.

Non-traded Equity / Equity related securities are those securities when it is not traded on any stock exchange for a period of thirty days prior to the valuation date. Non-traded Equity Securities will be fair valued as per procedures determined by the AMC and approved by the Trustee in accordance with the SEBI Regulations and related circulars. When a debt security (other than Government Securities) is not traded on any stock exchange on a particular valuation day, the security is considered as 'Non Traded Security'. The value at which it was traded on the principal stock exchange or any other stock exchange, as the case may be, on the earliest previous day is used provided such date is not more than 15 days prior to valuation date. When a debt security (other than Government Securities) is purchased by way of private placement, the value at which it was bought is used for a period of 15 days from the date of purchase.

D. Valuation Of Non-Traded / Thinly Traded Securities

Non traded/ thinly traded securities shall be valued "in good faith" by the asset management company on the basis of the valuation principles laid down below :

i. Non-traded / thinly traded equity securities:

- a. Based on the latest available Balance Sheet, net worth shall be calculated as follows : Net Worth per share = [share capital + reserves (excluding revaluation reserves) - Misc. expenditure and Debit Balance in P&L A/c] Divided by No. of Paid up Shares.

- b. Average capitalisation rate (P/E ratio) for the industry based upon either BSE or NSE data (which should be followed consistently and changes, if any noted with proper justification thereof) shall be taken and discounted by 75% i.e. only 25% of the Industry average P/E shall be taken as capitalisation rate (P/E ratio). Earnings per share of the latest audited annual accounts will be considered for this purpose.
- c. The value as per the net worth value per share and the capital earning value calculated as above shall be averaged and further discounted by 10% for ill-liquidity so as to arrive at the fair value per share.
- d. In case the EPS is negative, EPS value for that year shall be taken as zero for arriving at capitalised earning.
- e. In case where the latest balance sheet of the company is not available within nine months from the close of the year, unless the accounting year is changed, the shares of such companies shall be valued at zero.
- f. In case an individual security accounts for more than 5% of the total assets of the scheme, an independent valuer shall be appointed for the valuation of the said security.

ii. (a) Non Traded /Thinly Traded Debt Securities of Upto 182 Days to Maturity :

As the money market securities are valued on the basis of amortization (cost plus accrued interest till the beginning of the day plus the difference between the redemption value and the cost spread uniformly over the remaining maturity period of the instruments) a similar process should be adopted for non-traded debt securities with residual maturity of upto 182 days, in the absence of any other standard benchmarks in the market. Debt securities purchased with residual maturity of upto 182 days are to be valued at cost (including accrued interest till the beginning of the day) plus the difference between the redemption value (inclusive of interest) and cost spread uniformly over the remaining maturity period of the instrument. In case of a debt security with maturity greater than 182 days at the time of purchase, the last valuation price plus accrued interest should be used instead of purchase cost. All other non traded Non Government debt instruments shall be valued using the method suggested in (ii)(b) hereof

ii. (b) Non Traded/ Thinly Traded Debt Securities of Over 182 Days to Maturity.

For the purpose of valuation, all Non Traded Debt Securities would be classified into "Investment grade" and "Non Investment grade" securities based on their credit ratings. The non-investment grade securities would further be classified as "Performing" and "Non Performing" assets

All Non Government investment grade debt securities, classified as not traded, shall be valued on yield to maturity basis as described below.

All Non Government non investment grade performing debt securities would be valued at a discount of 25% to the face value

All Non Government non investment grade non performing debt securities would be valued based on the provisioning norms.

The approach in valuation of non traded debt securities is based on the concept of using spreads over the benchmark rate to arrive at the yields for pricing the non traded security.

The Yields for pricing the non traded debt security would be arrived at using the process as defined below:

Step A

A Risk Free Benchmark Yield is built using the government securities (GOI Sec) as the base. GOI Secs are used as the benchmarks as they are traded regularly; free of credit risk; and traded across different maturity spectrums every week.

Step B

A Matrix of spreads (based on the credit risk) are built for marking up the benchmark yields. The matrix is built based on traded corporate paper on the wholesale debt segment of an appropriate stock exchange and the primary market issuances. The matrix is restricted only to investment grade corporate paper.

Step C

The yields as calculated above are Marked-up/Marked-down for ill-liquidity risk

Step D

The Yields so arrived are used to price the portfolio

E. Valuation of securities with Put/Call Options

The option embedded securities would be valued as follows:

Securities with call option :

The securities with call option shall be valued at the lower of the value as obtained by valuing the security to final maturity and valuing the security to call option.

In case there are multiple call options, the lowest value obtained by valuing to the various call dates and valuing to the maturity date is to be taken as the value of the instrument.

Securities with Put option

The securities with put option shall be valued at the higher of the value as obtained by valuing the security to final maturity and valuing the security to put option

In case there are multiple put options, the highest value obtained by valuing to the various put dates and valuing to the maturity date is to be taken as the value of the instruments.

Securities with both Put and Call option on the same day

The securities with both Put and Call option on the same day would be deemed to mature on the Put/Call day and would be valued accordingly.

(ii)(c) Government securities (not traded for more than 30 days or one which would qualify as a thinly traded security) will be valued at cost plus accrual and amortizing the discount or premium over the life of the security.

F. Illiquid Securities:

- a. Aggregate value of "illiquid securities" of scheme, which are defined as non-traded, thinly traded and unlisted equity shares, shall not exceed 15% of the total assets of the scheme and any illiquid securities held above 15% of the total assets shall be assigned zero value.
- b. The Mutual Fund shall disclose as on March 31 and September 30 the scheme-wise total illiquid securities in value and percentage of the net assets while making disclosures of half yearly portfolios to the unitholders. In the list of investments, an asterisk mark shall also be given against all such investments which are recognised as illiquid securities.

G. Derivative Products

The traded derivatives shall be valued at market price in conformity with the stipulations of sub clauses (i) to (v) of clause 1 of the Eighth Schedule to the Regulations.

The valuation of untraded derivatives shall be done in accordance with the valuation method for untraded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the Regulations.

2. Determination of Net Asset Value

The value determined as above, will be adjusted for the following:

- a. All income and expenditure accrued.
- b. Major expenses like management fees and other periodic expenses to accrue on a day to day basis.
- c. The basis for calculation of NAV will be subject to regulations and guidelines of the SEBI issued from time to time.
- d. The NAV would be rounded off to two decimal places for the scheme.

Minor expenses, if any, will not be accrued on a day to day basis if they do not affect the NAV by more than 1%.

The Mutual Fund shall comply with the investment valuation norms spelt out in the Eighth Schedule of SEBI Regulations.

The Net Asset Value per Magnum / Unit shall be calculated by dividing the Net Assets of the scheme by the total number of Magnums/Units outstanding on the valuation date, as follows:

$$\text{NAV} = \frac{\text{Total unit capital} + \text{Reserves} + \text{Income (net of expenses)} + \text{Appreciation / -depreciation in investments}}{\text{Total no. of Magnums / Units outstanding}}$$

Any changes in securities and in the number of units will be recorded in the books not later than the first valuation date following the date of transaction. If this is not possible given the frequency of the NAV disclosure, the recording may be delayed upto a period of seven days following the date of the transaction, provided that as a result of the non-recording, the NAV calculations shall not be affected by more than 1%.

3) NAV Information and Acceptance of Applications

The NAV and the repurchase NAV will be calculated on all business days and will be published atleast in two daily news papers.

The AMC shall update the NAVs on the web site of Association of Mutual Funds in India - AMFI (www.amfiindia.com) by 9.00 p.m. on weekly basis. In case of any delay, the reasons for such delay would be explained to AMFI and SEBI by the next day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAVs.

An application will be considered accepted on that day, subject to it being complete in all respects and received prior to the following times on that Business Day at the Investor Service Centre / Official Points of Acceptance.

XI. LOADS AND EXPENSES

1. Magnum / Unit holder transaction expenses or Sales Load

The following table illustrates the expenses that the investors will incur on their purchases/ sales of Magnums / Units during the NFO and on an ongoing basis (when scheme becomes openended) under this scheme:

Nature of Load	During NFO*	On an ongoing basis* @
Entry Load that may be imposed on purchases of Magnums / Units	Not applicable	For investment below Rs. 5 crore: 2.25% For investments of Rs. 5 crore and above: Nil
Exit Load that maybe imposed on repurchases of Magnums / Units on maturity	Nil**	Nil
Contingent Deferred Sales Charge (CDSC)	Nil	Nil
Switchover Loads (For Switch-in into SBI One India Fund)	At applicable exit loads of the switch out scheme	N.A.

*The charges stated above are a percentage of the NAV.

@ The Scheme shall levy the Load structure immediately on conversion from close ended to open ended.

** Though the exit load is Nil, the investor will have to bear the proportionate unamortized initial issue expenses for exiting during the close-ended tenor of the scheme. In other words the redemption application(s) shall be processed at the repurchase NAV.

No load would be charged for investments by FOF in the Scheme irrespective of the amount of investment / tenor of investment.

As per the Regulations, for a scheme, which is 'No load Scheme', the AMC may charge an additional management Fees of upto 1.00% per annum of the average net assets outstanding in each financial year until and unless the Trustee introduces an Entry/Exit Load or their combination, in exercise of the powers reserved. Further, the additional management Fees may be charged only till the initial issue expenses under the scheme are recovered, or as may be prescribed by the Regulations.

Under the Regulations, the Fund can also charge a Contingent Deferred Sales Charge (CDSC) to Magnum Holders exiting from the scheme within 4 years of entry, not exceeding 4% of the redemption proceeds in the first year, 3% in the second year, 2% in the third year and 1% in the fourth year. The AMC reserves the right to introduce a load structure, levy a different load structure or remove the load structure in the scheme at any time after giving notice to that effect to the investors through an advertisement in an English language daily that circulates all over India as well as in a newspaper published in the language of the region where the Head Office of the mutual fund is situated.

As per SEBI Circular No. SEBI/IMD/Cir No. 1 64057/06 dated 4th April 06, SBI One India Fund ('the scheme') being a close ended scheme, shall not charge any entry load during the New Fund Offer. In addition to this, the Scheme does not propose to charge an exit load for investor subscribing during the NFO. However, the AMC reserves the right to introduce / revise a load structure after the Scheme is converted into an open-ended Scheme. In any case, should the load structure change in future, such changes in load will be applicable only to prospective investors who invest after the date specified in the advertisement and not to the existing investors on the amounts already invested by them.

The Mutual Fund will also endeavour to keep the investors informed through the following measures:

- i) An addendum detailing the changes will be attached to the offer documents and abridged offer documents. The addendum will also be available with the distributors/brokers and will also be sent along with the newsletter sent to the Magnum Holders immediately after the changes.
- ii) The Mutual Fund will display the changes/modifications in the offer document in the form of a notice at all ISCs and distributors/brokers office.
- iii) The introduction of the Exit Load/CDSC along with the details will be stamped in the acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the statement of accounts issued after the introduction of such load/ CDSC.
- iv) Any other measures which the Mutual Fund considers necessary in the interest of the Magnum Holders.
- v) The disclosure of portfolio of the scheme, also indicates the region wise allocation of its equity portion.

All loads including CDSC are intended to enable the AMC to recover expenses incurred for promotion or distribution and sales (including agents' commission) of the schemes. All loads including CDSC for each scheme shall be maintained in separate accounts and may be utilized towards meeting the selling and distribution expenses. Any surplus in these accounts may be credited to the scheme, whenever felt appropriate by the AMC.

In accordance with SEBI Regulations, the Repurchase Price will not be lower than 95% of the NAV. Further, as per SEBI Circular No. SEBI/IMD/CIR No.1/64057/06 dated April 04, 2006, no Entry Load shall be charged to the investors at the time of purchase of units, in case of close-ended scheme.

In accordance with SEBI Regulations, during the close ended period of the scheme, the repurchase price will not be lower than 95% of the NAV and after the scheme becomes open ended, the repurchase price will not be lower than 93% of the NAV and the sale price will not be higher than 107% of the NAV, and the difference between sale price and repurchase price shall not exceed 7% of the sale price.

SBI ONE INDIA FUND – OFFER DOCUMENT

2. New Fund Issue Expenses

a. Present scheme

The new fund issue expenses charged to the scheme will be up to 6% of the corpus collected and the rest will be borne by the AMC, in accordance with SEBI Regulations.

For the purpose of illustration, the new fund issue expenses that are estimated on a target amount of Rs. 25 crores and would approximately be 5.00% of the resources mobilized. The details are as follows:

Nature of expense	%
Advertising expenses	0.50
Printing	0.50
Marketing expenses	3.50
Other expenses*	0.50
Total	5.00

* Other expenses would include Trustee Fee, Audit Fee, Banking & Handling Charges and Investor Communication Expenses.

The new fund issue expenses will be amortized over the close ended tenor of the scheme i.e. 3 years

The concept of amortization is explained by means of an example below:

Assume that the new fund issue expenses incurred under the scheme are 5% (Rs. 1.25 Crores) for a mobilization of Rs.25 crores. If this expense is spread over three years, the amortization expense per year works out to 1.67% (Rs. 41.67 lakhs) or Rs. 11416 per day.

The impact of this expense on the NAV calculation will be as follows:

Net Asset Value of the scheme on the first day after initial subscription: Rs. 25 crores

Number of units: 2.5 crores

Amortization expenses: Rs. 11416

NAV per unit: Rs.9.9995 (250000000 - 11416)/25000000

The example does not factor any appreciation/depreciation on the investments which would be possible under normal market conditions or incremental inflows into the scheme on an ongoing basis. If the appreciation and incremental inflows are also factored in, then the impact of amortization on the overall NAV of the scheme would be lower than indicated above.

The total new fund issue expense is estimated to be around Rs. 1.25 Crores which is 5% for a target corpus of 25 crores. This is an indicative figure only and the new fund issue expenses may change in proportion to the new fund issue corpus mobilized as indicated in the table below:

Target Corpus (Rs.)	Amount subscribed by the Investor (Rs.)	Amount available for investment (Rs.)	Amount available for NFO expenses (Rs.)
50 Crores	100	95.75	4.25
100 Crores	100	96.15	3.85

b. Past Schemes

Scheme Name	Estimated Issue Expenses	Actual Issue Expenses	Remarks
Magnum COMMA Fund	5.60% of Intial issue corpus	Rs. 37.28 crores or 3.85% of initial issue corpus	Deviation on account of higher mobilization during the NFO
Magnum Multicap Fund	5.60% of Intial issue corpus	Rs. 75.08 crores or 3.57% of the initial issue corpus	Deviation on account of higher mobilization during the NFO
Magnum Monthly Income Plan-Floater	3.00% of Intial issue corpus	Rs. 1.49 crores or 1.57% of the initial issue corpus	Deviation on account of higher mobilization during the NFO
SBI Bluechip Fund	5.60% of Intial issue corpus	Rs. 107.52 crores or 3.76% of the initial issue corpus	Deviation on account of higher mobilization during the NFO

c. Annual scheme recurring expenses

The fees and expenses of operating the Scheme on an annual basis, expressed as a percentage of the amount of the scheme's weekly average net assets, are estimated as follows:

Nature of expense	%
AMC Fees	1.25
Marketing expenses	0.50
Registrar expenses	0.15
Custodial Charges	0.07
Miscellaneous expenses *	0.53
Total	2.50

*Miscellaneous expenses include Trustee Fee, Audit Fee, banking & Handling Charges, and Investor Communication expenses.

The AMC reserves the right to increase and decrease the fee within the ceilings prescribed under SEBI Regulations. The above annual recurring expenses are only the estimates and the actual expenses may vary from the above estimates but will be restricted to the ceilings of recurring expenses stated in Regulation 52(6) of the SEBI (Mutual Funds) Regulation, which are as follows:

Category of expense	Ceilings as per SEBI
Investment management & advisory fee to be charged by the AMC.	Subject to the following ceilings : i) Not exceeding 1.25% of the average weekly net assets of the scheme outstanding in the year as long as the net assets do not exceed Rs. 100 crores and ii) 1% of the amount in excess of Rs. 100 crores where net assets so calculated exceed Rs. 100 crores
Fees and expenses of Trustees	0.01% of the average weekly net assets, subject to a minimum of Rs. 15 lakhs to be allocated across all schemes of the fund.
Custodian fee	On actuals, within the overall ceiling mentioned below
Registrar Services for transfer of units sold or redeemed	On actuals, within the overall ceiling mentioned below
Brokerage & Transaction cost	On actuals, within the overall ceiling mentioned below
Audit fees	On actuals, within the overall ceiling mentioned below
Marketing & selling expenses, including agent commission, if any	On actuals, within the overall ceiling mentioned below.
Cost of investor communication & statutory advertising	On actuals, within the overall ceiling mentioned below
Cost of providing account statements & dividend redemption warrants	On actuals, within the overall ceiling mentioned below
Cost of fund transfer from location to location	On actuals, within the overall ceiling mentioned below
Insurance premium paid by the fund	On actuals, within the overall ceiling mentioned below
Winding up costs	On actuals, within the overall ceiling mentioned below
Total Expenses charged to the scheme	Subject to the following limits:
	i) 2.50% on the first Rs.100 cr. of average weekly net assets.
	ii) 2.25% on the next Rs.300 cr. of average weekly net assets.
	iii) 2.00% on the next Rs.300 cr. of average weekly net assets.
	iv) 1.75% on the balance of the average weekly net assets.

The purpose of the table is to assist the investor in understanding the various costs and expenses that an investor will bear directly or indirectly. Any expenses incurred in the excess of above overall limits will be borne by the AMC.

XII. MAGNUMS/UNITS AND OFFER

1. Issue Price

Initial Issue: Rs. 10/- per Magnum / Unit.

Ongoing basis:

After the conversion of the scheme into an open-ended scheme, the Magnums / Units of the scheme shall be available on an ongoing basis for purchase / sale at NAV related price. The number of units allotted (for purchase transaction) will be equal to the amount invested divided by the Sale Price for the same working day for applications received at the collection centres before 3.00 p.m. and Sale Price of next working day for applications received at the collection centres after 3.00 p.m., viz. for an application received on Tuesday after 3.00 p.m. the Sale Price will be based on the closing NAV of Wednesday. Applications received by post will be deemed to have been submitted on the date of receipt at the registrar's end.

Sale Price: The Sale Price is based on the applicable NAV and it includes the sales charge (if any). This is calculated as follows:

Sale Price= Applicable NAV per Magnum / Unit [1 + (applicable sales charge / 100)]

Illustration :

NAV - Rs. 15; Entry Load - 1%

Sale Price = $15(1+.01)$ = Rs. 15.15

2. Maturity of the scheme

The Scheme is a close-ended growth scheme. The duration of the Scheme is 3 years (from the date of allotment falling on a business day). Upon maturity, the Scheme will immediately be an open-ended scheme without any further reference from the Mutual Fund/Trustee/AMC/ Unit holders, subject to the SEBI Regulations prevailing at the time.

3. Minimum Investment Amount

The minimum investment amount per investor during the NFO of the Scheme is Rs. 5000/- and in multiples of Re. 1/-.

4. Options for investment

SBI One India Fund is a close-ended scheme offering investor two options for investment - Growth option and Dividend option. The Dividend option would endeavour to declare dividends subject to the availability of distributable surplus and subject to the approval of the Trustees. The Growth option would not declare dividends and returns in this option would be through capital appreciation only. Both options however may declare bonus units subject to the availability of distributable surplus. Both the options would be maintained as a common portfolio.

The growth option will be the default option and hence if an investor fails to specify the option applied for, he will be allotted Units under the growth option of the Scheme.

5. Target Corpus

The AMC seeks to raise a minimum corpus of Rs. 1 crore, under the scheme. The AMC reserves the right to retain in full, the subscription received over and above the target corpus.

The AMC reserves the right of discretion to close the scheme for subscription with one day's notice.

6. Refund of application money

In case of failure to mobilize the minimum amount mentioned above, the mutual fund and the asset management company are liable to refund the application money to the applicants in accordance with Regulation 35 of SEBI (Mutual Funds) Regulations, 1996 within a period of six weeks from the date of closure of subscription by registered AD and by cheque or demand draft marked "A/C Payee" to the applicants. Also, in the event of delay in refunding the amounts within 6 weeks, the AMC shall be liable to pay interest to the applicant at a rate of 15% p.a. on the expiry of 6 weeks from the date of closure of subscription list and will be charged to the AMC. **Refund orders will be marked "a/c payee only" and will be in favour of and dispatched to the first/sole applicant, by registered post.**

As per directives issued by SEBI, it is mandatory for applicants to mention the bank account number in the applications for purchase / redemption of Units.

Regulation 35(3) states that:

"Any amount refundable shall be refunded within a period of six weeks from the date of closure of subscription list, by registered A.D. and by cheque or demand draft marked "A/c payee" to the applicants."

Regulations 35(4) further states that:

"In the event of failure to refund the amounts within the period specified in sub-regulation (3), the asset management company shall be liable to pay interest to the applicants at a rate of fifteen percent per annum on the expiry of six weeks from the date of closure of the subscription."

7. Date of opening of subscription list: November 24, 2006.

8. Period for which subscription is open

New Fund offer: The subscription will be open to the public for 28 days from the commencement of banking hours on November 24, 2006 to the close of banking hours on the December 22, 2006. The AMC reserves the right to extend the closing date, subject to, however, the condition that the subscription shall not be kept open for more than 30 days. However, the AMC reserves the right to close the subscription earlier, after giving a day's notice to the investors. The AMC also reserves the right to suspend the issue at any time after a week's notice.

On Ongoing basis: The scheme will be open for fresh subscription after the end of maturity period of three years.

9. Allotment

Allotment will be made to all applicants in the new fund offer provided the applications are complete in all respects and are in order. The allotment will be completed within 30 days after the closure of New Fund Offer. The allotment will be made as on January 17, 2007.

The Scheme will be a close end scheme for a period of 3 years from the date of allotment falling on a business day and upon maturity will immediately be an open end scheme. On an ongoing basis issue of Magnums / Units may be discontinued or suspended if the trustees feel that increase in the size of the fund would be detrimental to the interest of existing investors. Application for issue of Magnums / Units will not be binding on the fund and may be rejected.

Investors will be issued a Magnum / Unit Statement of Account in lieu of Magnum / Unit Certificates. Dispatch of Magnum / Unit statements of account will be made as soon as possible but before the scheme reopens for continuous offer in case of NFO investments and not later than 10 days from the date of investment for investments made after the scheme reopens for continuous subscription. If an investor specifically requests the Registrars in writing for issue of a Magnum / Unit Certificate, the Magnum / Unit Certificates shall be sent to the investor within 6 weeks of receipt of request as stipulated under SEBI Regulation 36.

10. Interest on application money

No interest will be paid on the application amount.

11. Switching Options

Magnum / Unit holders under the Scheme have the option to;

- a) Switch part or all of their Magnum / Unit holdings from other Scheme(s) to this scheme during NFO; or
- b) Switch from this scheme to any other Scheme(s) of SBI Mutual Fund only on maturity of the scheme.

In case of (b) above, the switch request should be submitted only on maturity date. Switchover facility is not available in this scheme on an ongoing basis. This option will be useful to Magnum / Unit holders who wish to alter the allocation of their investment among the open ended scheme(s) / plan(s) of the Mutual Fund (subject to completion of lock-in period, if any, of the units of the scheme(s) from where the units are being switched) in order to meet their changed investment needs. The Switch will be effected by way of a Redemption of Magnums / Units from the Scheme and a reinvestment of the Redemption proceeds in an open-ended scheme / plan and accordingly, to be effective, the Switch must comply with the Redemption rules of the Scheme and the issue rules of the other scheme (e.g. as to the minimum number of Magnums / Units that may be redeemed or issued, Exit / Entry Load etc). The price at which the Magnums / Units will be Switched out of the Scheme will be based on the Redemption Price, and the proceeds will be invested in an open ended scheme / plan at the prevailing sale price for units in that scheme / plan. The Switch request can be made on a pre-printed form or by using the relevant tear off section of the Transaction Slip enclosed with the Account Statement, which should be submitted at / may be sent by mail to any of the ISCs. An Account Statement reflecting the new holding will be dispatched to the Magnum / Unit holders within three Business Days of completion of Switch transaction. The AMC retains the right to charge different Loads on Switching of Magnums / Units as compared to Redemption of Magnums / Units as the case may be.

12. Date of commencement of the scheme on ongoing basis:

The scheme shall open on an ongoing basis for repurchase/redemption from January 19, 2007

13. Listing & Transfer

Magnums / Units purchased under the scheme are not transferable and since units are available for repurchase on all business days on an ongoing basis, the scheme will not be listed on any stock exchange.

14. Issue of Bonus Units

In the interest of the Magnum / Unit holders and smooth functioning of the Fund, at an appropriate time, the Asset Management Company may decide to issue Bonus Units to all existing Magnum / Unit holders. For such declaration the Fund will announce a Record Date / Book Closure and all Magnum / Unit holders whose names appear in the Register of Unit holders as on the Record Date / Book Closure shall be eligible to be issued such Bonus Units. These Units will be pari-passu with the original Units. Bonus Units so issued will be credited to the Magnum / Unit holders' account. Pursuant to allotment of Bonus Units, the per Unit NAV would fall in proportion to the Bonus Units allotted and as a result the total value of Units held by the Magnum / Unit holder would remain the same. The issue of such Units will increase the number of Units held by the Magnum / Unit holder in the Scheme and so also the total number of Units outstanding in the Scheme. Fresh account statements will be sent to all Unit holders after the allotment of bonus units.

15. Jurisdiction

The jurisdiction for any matters or disputes arising out of the scheme shall reside with the Courts in India.

16. Power to Make Rules

The Trustees may from time to time, with prior approval of SEBI, prescribe such terms or make such rules for the purpose of giving effect to the provisions of this scheme with power to the AMC to add to, alter or amend all or any of the terms or rules that may be framed from time to time. However, any alteration amounting to a change in fundamental attributes of the scheme shall be made only in accordance with SEBI Regulations as stated elsewhere in the offer document.

17. Power to remove difficulties

In case of any difficulty in giving effect to the provisions of the scheme, the Trustees may do anything not inconsistent with such provisions, which appears to them to be necessary, desirable or expedient, for the purpose of removing such difficulty.

18. Client information

The Mutual Fund shall presume that the identity of the investor and the information disclosed by him is true and correct. It will also be presumed that the funds invested by the investor in the Schemes of the Mutual Fund come from legitimate sources / manner and the investor is duly entitled to invest the said funds. The Mutual Fund is not, in any way, responsible for correctness of the information provided by the investor to the Mutual Fund, as to his identity or any other information, and also his sources of income. The Mutual Fund is not under any obligation to carry out any investigation/ inquiry as to the identity of the investor and the sources of the moneys invested by the investor into the schemes of the Mutual Fund.

Where the funds invested are for the benefit of a person (beneficiary) other than the person in whose name the units are issued and registered, the Mutual Fund shall assume that the investor holding the Magnums / Units in his name is legally authorized / entitled to invest the said funds in the Magnums / Units of the Mutual Fund, for the benefit of the beneficiaries.

Magnums / Units of the Schemes are not offered, nor is the Fund managed or intended to serve, as a vehicle for frequent trading that seeks to take advantage of short-term fluctuations in the securities market. This type of trading activity is often referred to as "market timing" and could result in actual or potential harm to the Magnum / Unit Holders. Accordingly, the Mutual Fund (MF) at its sole discretion may reject any purchase or exchange of Magnums / Units that the MF reasonably believes may represent a pattern of market timing activity involving the Schemes of the MF.

19. Website

The website of the Mutual Fund (the said Website) is intended solely for the use of Resident Indians, Non Resident Indians, persons of Indian Origin and Foreign Institutional Investors registered with Securities and Exchange Board of India. It should not be regarded as a solicitation for business in any jurisdiction other than India. In particular the information is not for distribution and does not constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction where such activity is prohibited including the United States of America. Any persons resident outside India who nevertheless intend to respond to this material must first satisfy themselves that they are not subject to any local requirements, which restrict or prohibit them from doing so.

Information other than that relating specifically to the AMC, the Mutual Fund and its products, is for information purposes only and should not be relied upon as a basis for investment decisions. The AMC shall not be responsible, nor be held liable, for any information contained in any website linked from the said Website.

The AMC makes no representations whatsoever about any such website which the user may access through the said Website. A link to another website does not mean that the AMC endorses or accepts any responsibility for the content, or the use, of such website. It is the responsibility of the user to take precautions to ensure that whatever is selected for use is free of such items as viruses and other items of a destructive nature.

The investors are requested to read the Terms and Conditions given on the said Website carefully before using the said Website. By using the said Website, the investor will be deemed to have agreed that the Terms and Conditions specified apply to the use of the investor of the said Website, any information obtained from the site, and our products and services. If the investor does not agree to the specified Terms, the investor may not use the said Website or download any content from it.

20. Scheme to be binding

The Trustees may, from time to time, add to or otherwise vary or alter all or any of the features or terms of the scheme, with prior approval of SEBI and the Magnum / Unit holders in accordance with SEBI Regulations, and the same shall be binding on each Magnum / Unit holder and any person(s) claiming through or under it, as if each Magnum / Unit holder or such person(s) expressly agreed that such features or terms should be so binding.

21. Termination of the scheme

The Trustees reserve the right to terminate the scheme at any time if the corpus of the scheme falls below Rs. 1 crore. Regulation 39(2) of the SEBI Regulations provides that any scheme of a mutual fund may be wound up after repaying the amount due to the Magnum / Unit holders:

- (a) on the happening of any event which, in the opinion of the Trustees, requires the scheme to be wound up; or
- (b) if 75% of the Magnum / Unit holders of a scheme pass a resolution that the scheme be wound up; or
- (c) if SEBI so directs in the interest of the unit holders.

Where a scheme is wound up under the above Regulation, the trustees shall give a notice disclosing the circumstances leading to the winding up of the scheme:

- (a) to SEBI; and
- (b) in two daily newspapers having circulation all over India & a vernacular newspaper circulating at the place where the mutual fund is formed.

In case of termination of the scheme, the Trustees shall proceed as follows:

From the proceeds of the assets of the scheme, the Trustees shall first discharge all liabilities of the scheme and make provision for meeting the expenses of the winding-up of the scheme, including the fees of the AMC. The Trustees shall distribute the proceeds to the Magnum / Unit holders, in proportion to their respective interest in the assets of the scheme as on the date when the decision for winding up was taken, all proceeds derived from the realization of the investments, after recovering all costs, charges, expenses, claims, liabilities, whether actual or contingent, incurred, made or apprehended by the Trustees in connection with or arising out of the termination of the scheme. It will be ensured that the redemption proceeds are dispatched to the Magnum / Unit holder within a maximum period of 10 working days from the date of redemption for the holders of Statement of Account, or from the date he/ she has tendered the Magnum certificates to the Registrars.

XIII. SALE OF MAGNUMS / UNITS

1. How to Apply

New Fund Offer:

Applications complete in all respects together with necessary remittance may be submitted before the closing of the offer at any SBIMF Investor Service Centres/Investor Service Desks, SBI MF Corporate Office, designated office of Registrar and the Investor Service Centres of the Registrar or other such collecting centres as may be designated by AMC. The application amount in cheque or Demand Draft shall be payable to "SBI One India Fund". The Cheques / Demand Drafts should be payable at the Centre where the application is lodged. No outstation cheques or stockinvests will be accepted. For valid applications made through drafts (i.e., at such locations where there is no authorized collecting branch for the Issue of the scheme) payable at a collecting branch where the application is deposited, the draft charges incurred (as per guidelines of Indian Banks Association) may be reimbursed to the investors. In such a case, the draft charges may be deducted upfront from the application amount. Applications by mail should be mailed directly to the Registrars and must be accompanied by a Demand Draft payable at Chennai.

Investors are advised to fill up the details of their bank account numbers on the application form in the space provided. Please refer to the para "Bank Account Numbers" later in this section. Investors can also opt for Electronic Credit Clearing System (ECS) facility being offered at select centres and receive direct credit of their repurchases into their bank accounts through designated Banks.

Ongoing Basis: On conversion from close-end to open-end. After the scheme reopens for sale/repurchase, applications to the scheme, complete in all respects together with necessary remittance, may be submitted at the SBIMF Investor Service Centres, the designated offices of the Registrar or such other collection centres as may be designated by the AMC. The number of units allotted will be equal to the amount invested divided by the Sale Price for the same working day for applications received at the collection centres before 3.00 p.m. and Sale Price of next working day for applications received at the collection centres after 3.00 p.m. Applications received by post will be deemed to have been submitted on date of receipt at the registrar's end. In case of payment by cheques, the amount of investment will be deemed to be the amount realized net of bank charges (if any). In case of applications made by a demand draft, the draft charges may be deducted from the amount to be invested, only for applications sent by mail from centres not having a collection account for the scheme.

Procedure for NRIs: Applications on a Repatriable basis will be made by remitting funds from abroad through normal banking channels or by submitting payments made by demand drafts purchased from FCNR accounts or by cheques drawn on NRE accounts or through Special Non-resident Rupee Accounts maintained with banks authorized to deal in foreign exchange in India. The applications should accompany a copy of the NRE cheque or FIRC to confirm source of investments.

All investors may make only a cheque/D.D. for the application amount payable to the scheme as specified in the application form. The investors are advised to fill up the details of their bank account numbers on the application form in the space provided. Please refer to the para "Bank Account Numbers" later in this section. No cash will be accepted.

Investors are advised to retain the acknowledgement slip signed/ stamped by the collection centre where they submit the application.

2. Systematic Investment Plan (SIP) facility (Not available during NFO, available only after the Scheme is open end)

Under SIP, a minimum of Rs. 1000 can be invested every month for six months / Rs.500 every month for a year / Rs. 1500 per quarter for atleast one year by indicating in the application form or by issuing advance instructions to the Registrars at any time.

For individual investors, the fund offers a Systematic Investment Plan (SIP) at all our Investor Service Center locations. Under this Facility, an investor can invest a fixed amount. The minimum amount of investment for SIP transactions is Rs.6000 (aggregate) either through Rs. 500 per month (for 12 months) or Rs. 1000 per month (for 6 months), or Rs. 1500 per quarter (for 12 months). This facility will help the investor to average out their cost of investment over a period of six months or one year and thus overcome the short-term fluctuations in the market.

For ongoing application when Scheme becomes open ended, investors must indicate their choice on their application form in the box provided for the purpose. The post-dated cheques must be dated the 5th/15th/25th of every month and drawn in favour of the scheme as specified in the application form and crossed "Account Payee Only". The application may be mailed to the Registrars directly or submitted at any of the Investor Service Centres. The amount will be invested in the scheme at the closing NAV of the date of realization of the cheques. The number of Magnums/Units allotted to the investor will be equal to the amount invested during the month divided by the Sale Price for that day. An intimation of the allotment will be sent to the investor. The investor may terminate the facility after giving at least three weeks' written notice to the Registrar. For all payments made by cheques, the date of realization of a cheque will be taken as the date of investment and the amount invested will be deemed to be the amount realized net of bank charges (if any).

Easy Pay Facility (through Auto Debit)

The Easy Pay facility is currently being offered to only investors having bank account in the following cities - Ahmedabad, Bangalore, Bhopal, Bhubaneswar, Chandigarh, Chennai, Coimbatore, Goa, Guwahati, Hyderabad, Indore, Jabalpur, Jaipur, Kanpur, Kochi, Kolhapur, Kolkata, Lucknow, Ludhiana, Madurai, Mangalore, Mumbai, Nagpur, Nashik, New Delhi, Patna, Pune, Rajkot, Surat, Trichy, Trivandrum, Vijayawada and Vizag. The AMC has the discretion to include more cities/ remove cities from the above list offering the Easy Pay Facility at any time.

Completed application form, SIP Auto debit mandate form and the first cheque should be submitted at least 30 days before the transaction date. Investors should mandatorily give a cheque for the first transaction drawn on the same bank account for Easy Pay Facility. Subsequent debits from the account and allotment of magnums would commence one month after the Scheme becomes open ended. Investors also need to give a cancelled cheque / photocopy of the cheque from the same account. This is needed for validation of the investor's bank account. Easy pay facility is available only on the specific dates viz. 5th / 15th / 25th of every month on an ongoing basis.

The application form, mandate form along with the cancelled cheque / photocopy of the cheque should be sent to Investor Service Center/ Investor Service Desk or designated collection centres of the Registrar.

Existing investors are required to submit only the SIP Auto Debit mandate form indicating the existing folio number and the investment details as in the SIP Auto debit form along with the first cheque and the Cancelled cheque / Photocopy of the cheque.

Post Dated Cheques

Subscription to SIP through post dated cheques is not available during the NFO. On an ongoing basis, investors may subscribe to the scheme through the SIP facility and payable through Post Dated cheques. Investors must indicate their choice on their application form in the box provided for the purpose. The post-dated cheques must be dated the 5th/15th/25th of every month and drawn in favour of the scheme as specified in the application form and crossed "Account Payee Only". The application may be mailed to the Registrars directly or submitted at any of the Investor Service Centres/Investor Service Desks. The number of Magnums allotted to the investor will be equal to the amount invested during the month divided by the Sale Price for that day. An intimation of the allotment will be sent to the investor. The investor may terminate the facility after giving at least three weeks' written notice to the Registrar.

3. Systematic Withdrawal Plan

Under SWP, a minimum of Rs. 500 can be withdrawn every month or quarter by indicating in the application form or by issuing advance instructions to the Registrars at any time. SWP entails redemption of certain number of Magnums that represents the amount withdrawn. Thus it will be treated as capital gains for tax purposes.

4. Systematic Transfer Plan

Systematic Transfer Plan is a combination of systematic withdrawal from one scheme and systematic investment into another scheme. Therefore the minimum and maximum amount of withdrawals applicable under SWP would be applicable to STP also. Similarly the minimum investments applicable for each scheme under SIP would be applicable to STP. STP facility would allow investors to transfer a predetermined amount or units from one scheme of the Mutual Fund to the other. The transfer would be effected on any business day as decided by the investor at the time of opting for this facility. STP would be permitted for a minimum period of six months between two schemes. The transfer would be effected on the same date of every month (or on the subsequent business day, if the date of first transfer is a holiday) on which the first transfer was affected. STP can be terminated by giving advance notice to the Registrars.

Please note

There is no ceilings on transfer of investments from the switch out schemes Accordingly, an investor would be permitted to transfer any amount from the switch-out scheme subject to a minimum transfer of Rs. 1000 per month or Rs. 3,000 per quarter. Minimum STP will be for six months. Switchover facility is not available in this scheme on an ongoing basis.

5. Minimum amount of subscription per application

New Fund Offer and Ongoing basis: (Not available when the scheme is close-ended)

The minimum amount of subscription per application is Rs. 5000/- and in multiples of Re. 1/- thereafter. For investors opting for Systematic Investment Plan, the minimum amount of subscription per application is Rs. 6000/-. Systematic Investment Plan is not available during the NFO.

The Mutual Fund reserves the right to alter the minimum subscription amount under the scheme.

6. Maximum amount of subscription per application

No upper limit.

7. Who can invest

Note: Minor Unit Holder on becoming Major may inform the Registrar about attaining Majority Age and provide his specimen signature duly authenticated by his banker as well as his details of bank account and PAN (if required) to enable the Registrar to update their records and allow him to operate the Account in his own right.

Notes :

1. Non Resident Indians and Persons of Indian Origin residing abroad (NRIs) / Foreign Institutional Investors (FIIs) have been granted a general permission by Reserve Bank of India [Schedule 5 of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 for investing in / redeeming units of the mutual funds subject to conditions set out in the aforesaid regulations.
2. In case of application under a Power of Attorney or by a limited company or a corporate body or an eligible institution or a registered society or a trust fund, the original Power of Attorney or a certified true copy duly notarised or the relevant resolution or authority to make the application as the case may be, or duly notarised copy thereof, alongwith a certified copy of the Memorandum and Articles of Association and/or bye-laws and / or trust deed and / or partnership deed and Certificate of Registration should be submitted. The officials should sign the application under their official designation. A list of specimen signatures of the authorised officials, duly certified / attested should also be attached to the Application Form. In case of a Trust / Fund it shall submit a resolution from the Trustee(s) authorizing such purchases and redemptions.

Applications not complying with the above are liable to be rejected.

3. Returned cheques are liable not to be presented again for collection, and the accompanying application forms are liable to be rejected. In case the returned cheques are presented again, the necessary charges are liable to be debited to the investor.
4. Any request for withdrawal of application made during the New Fund Offer Period will be treated as Redemption request and shall be processed at the Redemption Price based on the first NAV declared by the Scheme after the close of New Fund Offer.
5. The scheme is not an offer to any resident/citizen of United States of America. No person residing in the United States of America can apply for the units or acquire them.

8. Who cannot invest

It should be noted that the following entities cannot invest in the scheme(s) :

1. Any individual who is a Foreign National
2. Overseas Corporate Bodies (OCBs) shall not be allowed to invest in the Scheme. These would be firms and societies which are held directly or indirectly but ultimately to the extent of at least 60% by NRIs and trusts in which at least 60% of the beneficial interest is similarly held irrevocably by such persons (OCBs).

SBIMFTCPL reserves the right to include / exclude new / existing categories of investors to invest in the Scheme from time to time, subject to SEBI Regulations and other prevailing statutory regulations, if any.

Subject to the Regulations, any application for Magnums/Units may be accepted or rejected in the sole and absolute discretion of the Trustee. For example, the Trustee may reject any application for the Purchase of Magnums/Units if the application is invalid or incomplete or if, in its opinion, increasing the size of any or all of the Scheme's Unit capital is not in the general interest of the Magnum Holders, or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its Magnum Holders to accept such an application.

The AMC / Trustee may need to obtain from the investor verification of identity or such other details relating to a subscription for Magnums/Units as may be required under any applicable law, which may result in delay in processing the application.

9. Joint applicants

In the event an Account has more than one registered owner, the first-named holder shall receive the Account Statements, all notices and correspondence with respect to the Account, as well as the proceeds of any Redemption requests or dividends or other distributions. In addition, such Magnum/ Unit holders shall have the voting rights, as permitted, associated with such Units, as per the applicable guidelines.

Applicants can specify the 'mode of holding' in the application form as 'Joint' or 'Any one or Survivor'. In the case of holding specified as 'Joint', Redemptions would have to be signed by all joint holders in the same order as registered with the Mutual Fund. However, in cases of holding specified as 'Anyone or Survivor', any one of the Magnum/ Unit holders will have the power to make Redemption requests, without it being necessary for all the Magnum/ Unit holders to sign. However, in all cases, the proceeds of the Redemption will be paid only to the first-named holder.

10. Defective applications liable for rejection

Applications not complete in any respect are liable to be rejected. In the event of non-allotment of Magnums/Units, no interest will be paid on the money refunded. In case of any representation to the Trustees against the disqualification of any application, the decision of the Trustees will be final.

11. Bank Account Numbers

In order to protect the interest of the Magnum / Unit Holders from fraudulent encashment of cheques, SEBI has made it mandatory for investors in mutual funds to state their bank account numbers in their applications. Investors are requested to provide these details in the space provided in the application form. This measure is intended to avoid fraud / misuse or theft of warrants in transit. Kindly note that applications not containing these details may be rejected.

12. Permanent Account Number (PAN)

Pursuant to the Notification No. 288 of 2004 dated. 1st December 2004 issued by the Central Board of Direct Taxes, it is brought to the notice of all investors that with effect from 1st January 2005, while making an application for purchase of units for Rs. 50000 or more in a mutual fund, investors should compulsorily quote their Permanent Account Number (PAN) in the application form. Purchase of units would include Fresh purchases, additional purchases, Switch, Systematic Investment Plan/Systematic Transfer Plan. Further Investors at the time of application must also submit PAN photocopy, PAN letter, refund order or demand notice from IT department, where in PAN is mentioned. No other form of declaration will be accepted. In case of joint applications, the PAN of all the applicants should be quoted supported by the submission of relevant documents.

In case a person, making an application for purchase of units in a mutual fund is a minor and does not have any income chargeable to income-tax, he/she shall quote the PAN of his/her father or mother or guardian, as the case may be, in the application form.

In case a person does not have a permanent account number and makes an application for purchase of units in a mutual fund, the said investor should make a declaration in Form No. 60 /Form No. 61 giving therein the particulars the transaction.

Applications where the PAN is not quoted or the declaration is not provided in the Form 60/Form No. 61 (where the investor does not have a PAN) would be rejected by the Mutual Fund without any reference to the investor

XIV. REDEMPTION AND REPURCHASE

1. Repurchase facility

The Magnums/Units purchased under this scheme can be sold back to the fund on any business day and would be subject to the existing exit load structure.. For applications received at the Registrar's Office, SBI FMPL Investor Service Centres/Investor Service Desks or SBI FMPL Corporate Office before 3.00 p.m. on any business day, the repurchase price will be based on the closing NAV of the same day and for applications received at the registrar's end after 3.00 p.m. on any business day, the repurchase price will be calculated based on the closing NAV of the next working day. e.g. for an application received on Tuesday before 3.00 p.m., the repurchase price will be calculated based on Tuesday's closing NAV and for a repurchase application received on Tuesday after 3.00 p.m., the repurchase price will be based on the closing NAV of Wednesday. Applications received by post will be deemed to have been submitted on the date of receipt at the registrar's end. The repurchase price for the above will be based on the prospective NAV of the following day and it will incorporate the applicable repurchase load, if any. In case the offices of the AMC or the registrars or the Banks are closed for any reason the repurchase date will be taken as the date of the next business day.

However, Units of investors exiting from the scheme on any business day during the tenor of the scheme before the expenses have not been fully recovered from the scheme would be redeemed at the repurchase NAV, the computation of which is detailed below:

Initial issue mobilization - Rs. 1000 crores

Initial issue expenses incurred and charged to the scheme- Rs. 40 crores or 4% of initial issue corpus.

Initial issue expenses to be amortized over the tenor of the scheme - 3 years or 1095 days

Initial issue expenses to be amortized on a daily basis Rs. 40 crores/1095 days Rs. 365297 or 0.0913% per day

Assume an investor invests Rs. 10000 during the NFO at Rs. 10 per unit.

Units allotted - 1000

Assume Date of allotment - 1st January 2007

Assume that the above investor submits a repurchase request on 31st December 2007.

Suppose the NAV on 31st December 2007 - Rs. 11.52

Number of days to repurchase from allotment date-365

Repurchase NAV = NAV - unamortized expenses

= 11.52 - ((1095-365)*0.000913*0.4)

= Rs. 11.25

(The above illustration is only for the purpose of understanding the computation of the repurchase NAV and should not be construed as an indication of the scheme's performance.)

The repurchased Magnums / Units will be extinguished and will not be reissued. The Magnum holder / Unit holder may request the redemption of a specified rupee amount or a specified number of Magnums/Units. The redemption would be permitted to the extent of the credit balance in the Magnum holder's / Unit holder's account. The number of Magnums/Units redeemed will be equal to the amount redeemed divided by the applicable repurchase price. The number of Magnums/Units redeemed will be subtracted from the Magnum holder's / Unit holder's account and a revised account statement will be issued to the Magnum holder / Unit holder. Magnums / Units purchased by cheque cannot be redeemed till the cheque is cleared.

The scheme would levy a Securities Transaction Tax (STT) which is presently 0.25% at the time of repurchase from all investors regardless of the amount/date of investment. Form 01.06.2006, the seller of equity oriented mutual fund units has to pay a STT of 0.25% of the redemption value of the investment. However no deduction would be allowed to any unit holder for STT paid while computing Capital Gains. The STT would be computed on the applicable NAV as on the date of repurchase and will be applicable for repurchase, switch-outs and transfer outs.

The concept of Securities Transaction Tax is explained by means of an example below:

Investment Amount: Rs. 10000

Entry NAV: Rs. 10

Magnums allotted: Investment amount/entry NAV i.e. 1000

NAV on the date of repurchase: Rs. 15.00

Exit load: 1%

Repurchase price: Rs. 14.85

Units redeemed: 1000

Amount payable by the Fund: 14850

Amount payable net of STT: (Amount/1.0020) i.e. Rs 14820

Securities Transaction Tax deducted: Rs. 30

The above illustration is only for the purpose of understanding Securities Transaction Tax and should not be construed as an indication of the scheme's performance.

There will be no load for switchovers between the two options in the scheme but switchover between schemes will be at NAV related prices.

2. Minimum Amount of Repurchase per Application

The minimum amount of repurchase would be Rs. 1000/- or 100 Magnums / Units whichever is lower. If as a result of repurchase the balance in the account of an investor falls below Rs. 5,000/- the fund will reserve the right to compulsorily redeem the account completely at applicable repurchase price, after giving him/her 30 days' notice requesting him to enhance the balance by making fresh investments.

3. How to Repurchase

The application for repurchase can be made on a pre-printed repurchase application form sent along with the Magnum Statement of Account mailed to the investor. In this connection, the repurchase applications along with the Magnum certificates (if any) should be submitted to the Registrars or at SBI MF Investor Service Centres /Investor Service Desks.

For applications made on either / anyone or survivor basis, only one of the holders needs to sign on the repurchase application. However, the repurchase warrant will normally be issued in the name of the first holder only.

A complete list of the ISC/ISD and Points of Acceptance in Overseas locations is given in the section 'Investors' 'Rights & Services'. SBIFMPL may appoint additional centres for acceptance of applications, if required.

4. Repurchase Schedule and Service Standards

The redemption will be permitted to the extent of credit balance in the Magnum holders' / Unit holders' account. As per the regulations, the fund shall despatch redemption proceeds within 10 business days of receiving the redemption request. However, under the normal circumstances, the repurchase warrant will normally be dispatched to the investor within 5 business days from the date of repurchase. Redemption proceeds may also be paid to the Unitholders in any other manner that the trustee may, from time to time decided for the smooth and efficient functioning of the Scheme. If the Unitholders fails to provide the bank mandate the request for redemption would be considered as not valid and the fund retains the right to reject with hold the redemption until a proper bank mandate is furnished by the Unitholders and the provisions within respect of penal interest in such cases will not be applicable / entertained.

5. Right to Limit Redemptions

The Mutual Fund reserves the right to temporarily suspend further reissues or repurchases under the scheme in case of any of the following:

- a natural calamity / strikes / riots and bandhs or
- in case of conditions leading to a breakdown of the normal functioning of securities markets or
- periods of extreme volatility of markets, which in the opinion of AMC, prejudicial to the interest of the unit holders of the scheme or illiquidity
- under a SEBI or Government directive
- under a court decree / directive
- in the event of any force majeure or disaster that affect a normal functioning of AMC or the Registrar
- political, economic or monetary events or any circumstances outside the control of the Trustee and the AMC.

Suspension or restriction of repurchase/redemption facility under any scheme of the mutual fund shall be made applicable only after the approval from the Board of Directors of the Asset Management Company and the Trustee. The approval from the Board of Directors and the Trustees giving details of circumstances and justification for the proposed action shall also be informed to SEBI in advance.

6. Switchover facility

Switchover facility is not available in this scheme on ongoing basis. The switchover from the scheme shall be available during the close end tenure. Switchover between this scheme and other schemes of the Mutual Fund would be at the applicable NAV. No load shall be imposed for switching between the options within the scheme. At the time of switchover, the investors will be required to surrender Magnum certificates / Statement of Accounts. Switchovers would be at par with redemption from the outgoing option/Plan/scheme and would attract the applicable tax provisions and load at the time of switchover.

7. Loan facility

Magnum holders / Unit holders can obtain loan against their Magnums/Units from any bank, subject to relevant RBI regulations and the respective bank's instructions, by getting a lien registered / recorded with the Registrars. In addition to this Magnum holders / Unit holders can obtain loans against their Magnums/Units from State Bank of India by getting a lien registered/recorded with the Registrars subject to the conditions of State Bank of India.

Magnum holders / Unit holders who have borrowed against their Magnums/Units by recording a lien against their holding can avail of repurchase facility only after the receipt of instructions from the concerned lender that the loan has been repaid in full and the lien can be discharged. In case such an instruction is not received, the lender can apply for redemption in his favour. In such a case, the Mutual Fund reserves the right to redeem the Magnums/Units in favour of the concerned lender after giving 15 days notice to the Magnum holder / Unit holder.

8. Nomination facility/ succession

Nomination facility is available only for individuals applying on their own behalf, either singly or jointly upto three. Nomination can also be in favour of the Central Government, State Government, a local authority, any person designated by virtue of his office or a religious or charitable trust. Applicants can nominate only one person. This facility is also available to NRI investors. Only resident Indian individuals maybe nominated. This will however be subject to change, if any, in the guidelines of RBI/other regulators. Applicants may change their nomination at any time during the currency of the scheme.

However, please note that past performance is not necessarily indicative of the future results.

10. Extension record

The Magnum Monthly Income Scheme 1991 (MMIS'91) has been extended by 3 years from its original redemption on 30.06.1997 to 30.06.2000. The extension was done after obtaining an approval from SEBI. An option was granted to all the investors to exit, if they so chose, at the assured return price of Rs. 100 per Magnum. Simple yield p.a. as on 30.06.1997 was 14.13%.

Three other equity schemes - Magnum Equity Fund (previously known as Magnum Multiplier Scheme 1990 (MMS'90)), Magnum Multiplier Plus Scheme 1993 (MMPS'93) and Magnum TaxGain Scheme 1993 (MTGS '93) - have also been converted to open-end schemes w.e.f. 1st January 1998 and 1st April 1998 and 11th November 1999 respectively, after giving the existing investors an option to redeem their Magnums/Units, if they so chose, at NAV related prices. Magnum Global Fund, an equity scheme, launched on 24th August 1994, with redemption date of 30th September 1999, has also been converted into an open-end scheme w.e.f. 1st October 1999, after giving the existing investors an option to redeem their Magnums/Units, if they so chose, at NAV related prices.

XV. DIVIDEND AND DISTRIBUTIONS

1. Returns to the Investors

Under the Growth option, no dividends will be distributed. The returns to investors will be through capital gains at the time they choose to repurchase any or all of their holdings. Investors may refer to the section "Redemption and Repurchase" for further information.

Under the Dividend option, the Mutual Fund would endeavour to declare dividends which shall inter alia depend on the investment performance of the scheme and with the approval of the Trustees. The declaration of dividends and the percentage to be distributed will depend upon the NAV at that time and no returns are assured under the scheme.

Refer to the section "Tax Treatment of Investments in Mutual Funds" for further information on the tax liabilities for investors on account of capital gains/dividends.

2. Dividend Reinvestment Facility

The Magnum holders / Unit holders may reinvest any dividend due to them, at no sales charge by indicating at the appropriate place in the application form. However, Dividend Reinvestment facility will not be available during the 3 years close end tenure of the scheme. At the end of 3 years, once the scheme becomes open ended the facility of Dividend Reinvestment in the Scheme will be available. The dividend reinvestment may be cancelled on receipt of a request from the Magnum holders / Unit holders for the same.

3. Mode of Distribution

The dividends will be distributed to the investors under the Dividend option within 30 days of declaration of dividends, through warrants or by any other permissible mode (including electronic mode) as may be introduced from time to time. Investors residing in such places where Electronic Facility is available will receive their dividend directly into their specified bank account. In such a case, only an advice of such a credit will be mailed to the investors.

4. Electronic Credit Clearing Service (ECS) and Direct Credit Facility

ECS - ECS is a facility offered by the Reserve Bank of India for facilitating better customer service by direct credit of dividend or redemption amount to an investor's bank account through electronic credit. This helps in avoiding loss of dividend or redemption warrants in transit or fraudulent encashment. This facility is optional for the investors in the scheme. Dividends or redemption proceeds may be distributed through the ECS facility to investors residing in any of the cities where such a facility is available. Payments of up to Rs.1, 00,000/- per transaction can be made through the ECS. All investors will have to provide the additional details required in the space provided on the application form. If they have also opted for the ECS facility, their bank branch will directly credit the amount due to them to their account wherever the payment is through ECS. The Registrars will send a separate advice to the investors informing them of the direct credit. The ECS facility will be offered by the Fund in any centre only if there is sufficient demand for the facility. In places where such a facility is not available or if the facility is discontinued by the scheme for any reason, or in cases where the dividends or redemption proceeds exceed Rs. 1,00,000/- , the dividend / redemption warrants will be mailed to the investors.

5. Direct Credit

This service will facilitate direct credit of dividend(s) amount(s) or redemption proceeds into the bank account of the investors. Investors will have to clearly mention their bank account details as may be required in this regard. This helps in avoiding loss of dividend or redemption warrants in transit or fraudulent encashment thereof. This facility is optional for the investors in the scheme. The AMC / SBI Mutual Fund will endeavour to offer this facility by making suitable arrangements with various banks from time to time.

The AMC / SBI Mutual Fund shall have absolute discretion to add, withdraw or suspend any facility/service that may be provided to the investors in order to comply with the statutory requirements from time to time.

The above investments have been made by the schemes of the Fund in companies, which have invested more than 5% of NAV of the schemes. These investments have been made considering stocks to be fundamentally sound and having potential for good returns to the schemes.

These investments comprise debt, equity and money market instruments. SBI Mutual Fund is of the opinion that the said companies are fundamentally strong and possess a high potential for growth and are market leaders in their respective fields. Accordingly, investments were made in the said companies. The investments made by some schemes of SBIMF in bonds issued by associate companies including State Bank of India and its subsidiaries are in compliance with the investment restrictions contained in clause 9 of the Seventh Schedule to the SEBI (MF) Regulations, 1996

XVII. ASSOCIATE TRANSACTIONS

1. Who is an associate?

For the purpose of this section, an associate or group company shall include State Bank of India (SBI), its subsidiaries (including the AMC), joint ventures and the associate banks of SBI and SGAM.

2. Investments in Associate or Group Companies of the Sponsor

As per SEBI Regulation, the scheme will not invest more than 25% of net assets of the scheme in the securities of Associate or Group Companies of the Sponsor. 5. Associate Broker

At present, SBI Mutual Fund has empanelled SBI Capital Markets Limited and SG Asia Limited as Associate Brokers.

6. Collecting Banker(s) and Distributors

SBIMF will utilize the services of HDFC Bank Limited, Kotak Mahindra Bank Limited, Citibank N A and UTI Bank Limited as the collecting bankers for the scheme.

7. Collecting Branches

The AMC may utilize the services of some branches of HDFC Bank Limited, Kotak Mahindra Bank Limited, Citibank N A and UTI Bank Limited as authorized collecting branches for the scheme. The list of collecting branches will be printed in the application form. They will be paid handling charges at such a rate as may be prevalent in the market at the time of the issue and/or as negotiated with the concerned banks.

8. Agent Commission

For applications directly solicited and collected by the branches of SBI or by any associates, they may also be paid an agent commission at a rate not exceeding the rate of commission being paid to other agents for the scheme.

9. Other Associate Transactions

Individual schemes of SBI Mutual Fund lend in the Call Money Market from time to time in order to continuously earn returns on their short term surplus cash. This is in accordance with the applicable Regulations. SBI, SBI Commercial & International Bank, any of SBI's associate banks or SBI Gilts Ltd. may be some of the players who may borrow from SBI Mutual Fund at market rates. SBI Capital Markets Ltd. was appointed as the Principal Marketing Advisors for Magnum Gilt Fund.

At present, the Fund does not have any other transaction with the Sponsor or its associates apart from those disclosed above. In future, however, SBI or any associates of SBI (including but not limited to SBI Capital Markets and/or SBI Securities Ltd.) may be entrusted the work of marketing, book-building, distribution or any other activity connected with the scheme or any other schemes of SBI Mutual Fund, as may be allowed by SEBI or any other competent authority, and within the relevant provisions of Regulations prevailing from time to time.

XVIII. INTER-SCHEME TRANSFERS

Policy on Inter-scheme Transfers

The scheme, or any other scheme of the Mutual Fund, may make investments or effect a sale of some of its investments by means of transfers from one scheme to another in the same mutual fund. Such transfers will be done in accordance with clause 3 of seventh schedule to SEBI Regulations and subject to the following conditions:

- i) Such transfers are done at the prevailing market price for quoted instruments on spot basis. (Where such a spot price is not available or if the market is closed, the inter-scheme transfer may be done at the latest closing price available).
- ii) The securities so transferred would be in accordance with the investment objective of the transferee scheme.
- iii) The registration and accounting of the transaction is effected on a spot basis so that the NAV of the scheme is impacted.

XIX. BORROWING BY THE MUTUAL FUND

1. Borrowing by the scheme

Under Regulation 44(2) of SEBI Regulations, the Fund is allowed to borrow to meet its temporary liquidity need of the Scheme for the purpose of repurchase, redemption of Magnums/Units or payment of interest or dividend to the Magnum / Unit Holders. Further, as per the Regulation, the Fund shall not borrow more than 20% of the Net Assets of the Scheme and the duration of such borrowing shall not exceed a period of six months.

The scheme wise details of borrowings by the Mutual Fund as on 31st October 2006 is detailed below:

Scheme name	Borrowing (Rs. in lakhs)	AUM (Rs. in Crore)	Amount as % to NAV	Purpose of Borrowing	Time(days)
-	Nil	Nil	-	-	-

As on October 31st 2006, there are no outstanding borrowings.

2. Potential risk of loss to the AMC / Magnum / Unit holders

The borrowing by the scheme will not involve any potential loss to the AMC or to the Magnum / Unit Holder. However, it will involve a certain cost on account of interest paid on borrowing at market rates as may be negotiated with the concerned lender. In any case, the scheme may resort to borrowings only if the possible benefit from borrowings exceeds the cost of immediate liquidation of its assets for meeting repurchase needs / interest payments.

XX. TAX TREATMENT FOR INVESTORS (UNIT HOLDERS) AND THE MUTUAL FUND

As per the taxation laws in force as at the date of the Document, and as per the provisions contained in the Finance Act, 2006 there are certain tax benefits that are available to the investors and the mutual fund. The same are stated hereinunder:-

It may however be noted that the tax benefits described in this document are as available under the present taxation laws and are available subject to fulfillment of stipulated conditions. The information given is included only for general purpose, regarding the law and practice currently in force in India and the Investors should be aware that the relevant fiscal rules or their interpretation may change. In view of the individual nature of tax implication, each investor is advised to consult his/her own professional tax advisor to understand the tax implications in respect of his investment decision.

FOR UNIT HOLDERS:

1. Tax on income in respect of units

As per the provisions of Section 10(35) of the Act, income received in respect of units of a mutual fund specified under Section 10(23D) of the Act is exempt from income tax in the hands of the recipient unit holders.

2. Capital Gains & TDS

As per section 2(42A) of the Act, units of the scheme held as a capital asset, for a period of more than 12 months immediately preceding the date of transfer, will be treated as long-term capital assets for the computation of capital gains; in all other cases, they would be treated as short-term capital assets.

Tax & TDS Rates under the Act for Capital Gains

	Tax Rates* under the Act			TDS Rate* @ under the Act		
	NRIs/PIOs	NRIs/PIOs Residents	FIIIs	Residents	NRIs/PIOs/other Non FII non-residents	FIIIs
Short Term Capital Gain	Units of a non equity oriented fund	Taxable at normal rates of tax applicable to the assessee	30% (u/s115AD)	Nil	30% for non resident non corporates, 40% for non resident corporates (u/s 195)	Nil
	Units of an equity oriented fund	10% on redemption of units where STT is payable on redemption (u/s 111A)		Nil	10% for all non-residents. (u/s 195)	Nil
Long Term Capital Gain	Units of a non equity oriented fund	10% without indexation, or 20% with indexation, whichever is lower (u/s 112)	10% with no indexation benefit (u/s 115AD)	Nil	20% for non residents (u/s 195)	Nil
	Units of an equity oriented fund	Exemption in case of redemption of units where STT is payable on redemption [u/s 10(38)]		Nil	Nil	Nil

* Plus surcharge and education cess as per the Income Tax Act.

In the case of non-resident investors, the above rates would be subject to applicable treaty relief. As per circular no. 728 dated October 1995 by CBDT, in the case of a remittance to a country with which a Double Taxation Avoidance Agreement (DTAA) is in force, the tax should be deducted at the rate provided in the Finance Act of the relevant year or at the rate provided in DTAA whichever is more beneficial to the assessee.

Securities Transaction Tax (STT)

From 01.06.2006, the seller of equity oriented mutual fund units has to pay a STT of 0.25% of the redemption value of the investment. However no deduction would be allowed to any unit holder for STT paid while computing Capital Gains.

Note: 'Equity oriented fund' is defined as -

" a mutual fund where the assets are invested in the equity shares of domestic companies to the extent of more than sixty five per cent of the total proceeds of such fund; and

" which has been set up under a scheme of a Mutual Fund specified in section 10(23D) of the Act.

The percentage of equity holding of such fund would be calculated as the annual average of the monthly averages of the opening and closing figures.

3. Capital Losses

The short term capital losses resulting from the sale of units would be available for setting off against short term capital gains which would reduce the tax liability of the unit holder to that extent.

Further unabsorbed short term capital losses shall be carried forward and set off against the income under the head 'Capital Gain' in any of the subsequent eight assessment years.

4. Dividend Stripping

All Unit Holders:

As per Section 94 (7) of the Act, loss arising on sale of Units, which are bought within 3 months prior to the record date (i.e. the date fixed by the Mutual Fund for the purposes of entitlement of the Unit holders to receive the income) and sold within 9 months after the record date, shall be ignored for the purpose of computing income chargeable to tax to the extent of exempt income received or receivable on such Units.

5. Bonus Stripping

All Unit Holders:

As per Section 94 (8) of the Act, wherein in case of Units purchase within a period of 3 months prior to the record date for entitlement of bonus and sold within 9 months after the record date, the loss arising on transfer of original Units shall be ignored for the purpose of computing the income chargeable to tax. The amount of loss so ignored shall be deemed to be the cost of acquisition / purchase of such bonus Units as are held by it /him on the date of such sale/transfer.

6. Rebate under section 88E of the Income tax Act, 1961

Rebate under section 88E can be claimed by unitholder for STT paid from the tax payable by him when:

- Units are held as stock in trade.
- Profits arising from sale of such units are offered for tax under the head 'Profits and Gains of Business or Profession'

7. Investments by charitable and religious trusts

Units of a Mutual fund Scheme referred to in clause 23D of section 10 of the Income Tax Act, 1961, constitute an eligible avenue for investment by charitable or religious trusts per rule 17C of the Income Tax Rules, 1962, read with clause (xii) of sub-section (5) of section 11 of the Income Tax Act, 1961.

8. Wealth Tax

Units held under the Mutual Fund Scheme are not treated as assets within the meaning of section 2(ea) of the Wealth Tax Act, 1957 and are, therefore, not liable to Wealth-Tax.

9. Gift Tax :

The Gift Tax Act, 1958 has ceased to apply to gifts made on or after October 1, 1998. Gifts of Units purchased under plan, would therefore, be exempt from gift tax. Where however the gifts, exceeding Rs.25,000/- made on after 01.09.04, the same is to be included as income in the hands of donee under new sub clause (xiii) inserted in Section 2(24) read with new Section 56(2)(v) by the Finance (No. 2) Act 2004.

10. Deduction u/s 80C in respect of amount invested - Unitholders

Section 80C as introduced by the Finance Act, 2005, provides that from the total income of an individual and HUF, deduction for an amount paid or deposited in certain eligible schemes or investments would be available, subject to maximum amount of Rs. 100,000.

According to clause (xiii) and clause (xx) to sub-section 2, any subscription to any units of Mutual Fund notified under Section 10(23D) would qualify for deduction under the aforesaid section provided:

- the plan formulated in accordance with a scheme notified by the Central Government; or
- approved by CBDT on an application made by the Mutual Fund and the amount of subscription to such units is subscribed only in eligible issue of capital of any company.

Note: The benefit of deduction under section 80C can be availed by the unitholders investing during the year in Magnum Tax Gain Scheme.

FOR THE FUND:

1. Registered with SEBI

SBI Mutual Fund is registered with SEBI and is as such eligible for benefits under section 10(23D) of the Act. Accordingly its entire income is exempt from tax.

2. Dividend Distribution Tax

No dividend distribution tax is required to be paid on distribution of dividend on equity oriented funds.

3. No TDS on receipt of income:

The Fund will receive all its income without deduction of tax as per provisions of section 196 (iv) of the Income tax Act, 1961.

4. Service tax.

AMC / Mutual Funds are covered under the category of "Business Auxiliary Services" and are liable for paying service tax as service recipients on services provided by distributors of mutual fund /agents. The rate of service tax is 12.24% (inclusive of education cess of 2%)
