CC.NO. 352/3

ORDER

By virtue of this order application moved by the respondent seeking visitation rights of the child is being disposed of.

It is stated by Id counsel for the respondent that child has stayed with him for thirteen months and his mother and sister are well capable to look after the child. It is prayed that the child may be handed over to the respondent for the weekends.

On the other hand, Ld counsel for the complainant has raised objection stating that the child is merely one and a half years old and of very tender age and requires the care and attention of her mother. Further, it is stated that the respondent is working in an MNC and therefore, he has very little time to devote to the child.

In my considered opinion, from the material placed on record, nothing adverse has come on record against the respondent

so as to deny him the visitation rights of the child. Therefore, in the facts and circumstances, without going into the merits of the case, I am inclined to allow the application of the respondent thereby directing the complainant that she shall hand over the custody of the child on Saturday morning between 09.00 AM to 10.00 AM to the respondent and the child shall be returned back to the complainant on Sunday between 09.00 AM to 10.00 AM twice in a month according to the convenience of the parties. It shall be the duty of the respondent to pick and drop back the child from the house of the complainant. Further, the complainant is at liberty to sent a baby sitter / maid in the interest of child.

Be put up for further proceedings on 06.04.2010.

Copy of this order be given dasti.
