No. CG/Public Notice/TMR Dated: 13.02.2017

Public Notice regarding details of application in which examination in pending

Pendency in Examination of application filed for the registration of a trademark has been brought to less than a month and application filed in January 2017 are already in process of Examination. Trade Marks Registry has identified applications filed before December 2016 but where examination could not be taken up for want of complete documentation or it has not been completed as the application has failed in formality check for some requirement from the applicants.

A list of such applications is published as follows:

- Annexure I: Incomplete digitization
- Annexure II: Applications failed in formality check during examination and have been pending for compliance with the office direction.

All concerned are requested to refer the published list, and if their application found in annexure II, may refer the details of deficiency / requirement and remove/comply with the same.

Even though the Trade Marks Registry is trying its best to complete documentation regarding applications in annexure I, however such applicants are requested to email at pendingexam.tmr@nic.in, with brief details of such application.

(Om Prakash Gupta)
Controller General of Patents, Designs & Trade Marks
